A strong condemnation of the stand of the Canadian Parliament in recognizing Fascisti government, at present in power in Italy, while at the same time ignoring the Soviet rule of Russia, was expressed by James Simpson, secretary of the Ontario branch of the Canadian Labor Party at the annual convention of the Ontario labor men in the local Labor Temple, Saturday, in moving that the Canadian Parliament be advised that the labor element of Canada wisher it to cease all diplomatic relations with Mussolini, the Italian Fascisti

WHY STAY FAT?

YOU CAN REDUCE The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. Marmola Prescription Tablets overcome all these difficulties. They are absolutely harmless, entail no dieting or exercise, and have the added advantage of cheapness. A case is sold at one dollar by all druggists the world over, or send the price direct to the Marmola. Co., 4612 Woodward Ave., Detroit, Mich. Now that you know this, you have no excuse for being fat, but can reduce steadily and easily without going through long sleges of thresome exercise and starvation diet or fear of bad effects.—Advt.
