SUMMON THE OLD BOYS FROM ALL OVER WORLD **BACK HOME NEXT MONTH**

Committee Sends Out 15,000 Programs of Old Home Week Attractions Following Invitations Issued Several Weeks Ago.

LONDON PLANNING FOR GREAT WEEK

Fifteen thousand pamphlets fore-casting the doings of Old Boys' Week were broadcasted all over the United States, Canada and parts of Europe today. These were mailed by Secre-tery Edwin Smith of the London Old *Boys' Association as a follow-up on invitations issued to former Londoners living in all parts of the world several weeks ago.

The booklet urges ex-citizens to elect officers in their communities and come home as an association. It adds that August 4-11 are the days set aside by the proclamation of Mayor George Wenige to officially welcome the old boys and their families as guests of the city.

"We wish you to share the hospitality of those whom you have left behind and to frolic on the greens where you in your childhood days wandered, little thinking that now wandered, he obread "the folder." you would be abroad," the folder

Transportation arrangements for the old boys have been completed, giving them excursion and tourist rates that will substantially reduce the cost of returning to London. Full particulars outlining the best method of securing cheap transportation are contained in the pamphlet. On the cover is a sketch of the

original Macgregor home which was the foundation of the city which is today London, Ontario. In red letters beside the sketch are the words 'Come On Home.' Final Program.
