RAGING HEADACHE STOPPED AT ONCE

When He Took "Fruit-a-lives"

SHANLY, ONT., Sept. 23rd, 1910.
"You certainly have the Greatest discovered Headache Cure in the world. Before 'Fruit-a-lives' came before the public, I suffered tortures from Headaches caused by Stomach Disorders."
"One of your travellers called on me when I had one of my raging head-aches and had my head almost raw from external applications."
"I hated to see any person coming into the store (much less a commercial traveller) and I told him very curtly that I had a headache but he insisted on my trying 'Fruit-a-lives'."

"I did so, with what I would call amazing results. They completely cured me and since then (nearly six years ago) it is only necessary for me to take one occasionally to preserve me in my present good health. I was 45 years old yesterday and have been a general store keeper at the above address for twenty-five years".
WM. PITT
As Mr. Pitt says "Fruit-a-lives" is the greatest headache cure in the world. Dealers everywhere have "Fruit-a-lives" at 50c. a box, 6 for \$2.50 or trial size, 25c. or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

FOREST FIRES

Forest Fires the last few days did great damage in various parts of the province. On Friday night the Presbyterian church at Nerepis was burned to the ground, the only thing saved being the organ. The building, which is near the settlement, caught from sparks flying from the burning house. Capt. Anderson's house was burned at McKiel's Lake, Kings Co. Fire approached within three miles of Westfield. Mechanic's Settlement, Kings Co., was saved with difficulty. Fires have been raging at Goshen, Mechanic's Settlement, Portage River and Millstream, in Kings county, and at Baltimore along the line of the branch railway in Albert county. The fires in the vicinity of Moncton were got under control as the result of the strenuous fight made on Friday and Saturday. Fire, which is supposed to have caught from an engine on the north-bound Maritime express, destroyed two houses at Red Pine, thirty miles from Newcastle, on the Intercolonial, Thursday morning. A house belonging to F. W. Summer, Moncton, vacated only a few days ago, was burned to the ground, while Peter Young lost his house, but saved most of his furniture. A large force of men gathered, and only their vigorous efforts prevented further destruction. Chief Warden Doyle of the North Shore has had his hands full fighting fires in his districts. The rains of Sunday and Monday, however, stamped out many of the fires in all directions.
