ROBERT COCHRAN. Member of the Toronto Stock Exchange,

STOCKS, BONDS AND DEBENTURES, Special wire for operating in New York Stocks GRAIN AND PROVISIONS.

Robert Cochran received this despatch from his New York agents to-day:

New York agents to-day:

New York, May 2.—It was conceded last night that there had been a good deal of liquidation. Bull speculators, traders and scalpers had alike taken profits and their sales of stocks had forced declines of 1 per cent. or more. The fact that London and the continent, owing to change in Emperor Frederick's condition, had turned sellers of stocks added to the selling pressure. Nevertheless the feeling, as expressed by most brokers at up-town resorts last night, could not be considered bearish, although they said that in view of the recent phenomenal rises it would not be strange if lower range of prices prevailed before the up-ward move was continued. It was recalled that on April 2—inst one month ago—low prices prevailed, St.P., M.P., R.G., Man, and N.e., had rison in the meantime not less than 10 points, whereas the balance of list improved from 15 to 5 points, consequently a slight set back was not to be wondered at. The traders who got long of Man, at 97 and 98 sold it out yesterday at 94 and 36.
