How, When, Where, What,

Why and Who?

To attempt to tell you all those things is a mighty big job for anyone to tackle—yet not too big for the $\Lambda\text{-B-C}$ Classified Section. To answer questions—solve problems—remove per-plexities—is just what this section is designed to do. And just what it does!

Its ability to meet such wide requirements hinges upon the fact that all the people of London and vicinity bring their buying and selling offers to these columns and thus make it a wellrounded dictionary of every-

One or two people cannot tell you all the buying and selling questions you can ask-but all the people

And since you cannot talk personally to all the people of London and Western Ontario every day, there isn't any logical alternative except to read the classified section daily, is there? Assuming, of course, that you want to know things and succeed!
