

SEVEN YEARS TORTURE

Nothing Helped Him Until He Took "FRUIT-A-LIVES"

ALBERT VARNER

Buckingham, Que., May 8th, 1915.
For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting, and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-lives". I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-lives", and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-lives", and you will get well.

RAINY PLAYTIMES.

Helps For Mothers on Days Children Are Kept Indoors.

Indoors on a rainy day is apt to prove a rather nerve racking time for a busy mother unless she has provided a rainy day box for the kiddies' amusement. Pasting games and books of all sorts appeal for rainy playtimes.

You can make a good paste from a flour and water mixture into which a few drops of clove oil have been added. The oil gives a pleasant odor and preserves the paste against souring.

Never throw away old telephone books, magazines, scraps of colored paper, etc., when there are small children in the house. Add them as contributions to the rainy day box.

Rainy day may be mending day if mother will cast a glamour of privilege over the mending. Save old toys, broken china, etc., for the rainy day mending bee.

Especially pretty silk pieces for doll clothes may be slipped into the rainy day box as a surprise, a new box of crayons, a bit of colored wool for a horse line—anything that will make the prospect of rain and staying in the house something for the youngsters to look forward to instead of the ink-some time which it usually proves to be.

Sleeve Facts.

Sleeves are rather doubtful quantities this season, but none the less interesting at that. Most morning and afternoon sleeves are long. Occasionally one sees a three-quarter sleeve, but only very seldom; it is usually flowing and is called the nun's sleeve or pagoda sleeve.

Evening gowns show either no sleeve at all or long, flowing angel sleeves or some arm covering made by a cape or scarf of lace. Dropped shoulder capes of ribbon velvet, which show the top of the arm, but cross it just below the top of the shoulder, are found on many evening gowns.

A few kimono sleeves are to be found in afternoon and evening gowns of soft materials like tulle, satin and velvet, as this is always a more graceful treatment than the set-in sleeve.

In suits the full length sleeve rather large at the wrist to admit the loose wristed glove is to be found. In coats, sleeves are larger and on the bishop order. Raglan sleeves are to be seen, too, in these separate coats.

North Lambton S. S. Convention

The annual convention of the North Lambton Sunday School Association was held in Forest, on Feb. 27th. It was a decided success, in so far as speakers and attendance was concerned. The greater success will depend upon how much will be put into practice to produce results.

There were 75 delegates enrolled. Bosanquet association sent 49, Warwick 12, and Plympton 11. There were also three from outside the county. The denominations were represented as follows, Presbyterians 21, Methodist 44, Anglican 3, Congregational 4, Baptist 1, and Free Methodist 2. Esteeming those that did not register and the attendance at large a very conservative estimate would be that the convention was attended by over 300 people.

The following officers and superintendents were appointed for the present year: Pres.—Dr. P. McG. Brown, Camlachie; Vice-Pres.—Wilfred Byrns, Forest; Sec.—Treas.—W. M. McDonald, Thorndale; Elementary Grades—Miss Ethel McCordie, Forest; Secondary Div.—Albin Stodgill, Forest; Adult Bible Classes—R. S. Jardine, Camlachie; Home Department—Miss Jennie Smith, Forest; Teacher Training—R. McKenzie, Warwick; Missionary—J. Robinson, Watford; Temperance—John Sutcliffe, Camlachie.

If one be troubled with corns and warts, he will find in Holloway's Corn Cure an application that will entirely relieve suffering.

Buying automobiles is very like buying investment securities. You consider
—the relation of price to value.
—The security or integrity of value
—the return.

When you consider the relation of price to value, the Overland Big Fours and Light Sixes conspicuously stand out as more automobile for the money than can be had in any other cars of similar specifications.

As to security—the Willis-Overland industry,—firmly entrenched,—with more than

sixty-eight million of assets,—with more than four thousand successful dealers and branches, is squarely back of the integrity of value in these cars throughout the whole period of their use in your service.

As to return—the return these cars give you in service. Their economy of operation and rugged reliability are established by over three hundred thousand in use.

Value! Security!! Return!!!

Until May 1st, Big Fours \$1190, Light Sixes \$1380, while we have them to deliver—thereafter \$1250 and \$1435.
