The Economy in Clothes Made To Your Measure

3330555

When you order a suit of clothes from a custom tail or he is very careful to get exact measurements. These measurements enable him to draft a pattern that will ex actly fit your form. This is one of the greatest advant ages the custom tailor has to offer. Just as the eye ears, arms and legs of each individual differ, so do dividuals differ. No two persons are exactly alike. The s also some difference, and the only way to cut a of clothes to meet the difference is to draft a pattern your measure. Doing this insures fit, comfort and I Custom made clothes neither bind, which we cause the cloth to stretch, nor are they made too lo which would give friction a chance to cause abnormal
