

with the acclamations of a multitude, who in hearty choirs, gave expression to their sympathy for the persecuted. This gratifying event occurred, notwithstanding one admitted Orangeman was on the Grand Jury, and two persons of the Inquest which sat on the body of Robert Morrison, and two who, on that occasion, were for implicating the accused. It is due to those gentlemen to say—we believe they took no advantage of the unpleasant position they were placed in, by giving expression to any opinion unfavourable to the accused. But while we commend them, we do not think the parties who placed them there, deserve any commendation.

But it seems no amends can be made to these oppressed individuals, for being subjected to three months' close imprisonment, with all its accompaniments of injury to themselves and families, though there was not a particle of substantial evidence against them. But we look for such attention to this subject on the part of the present Parliament, as shall provide better for the future; and to the Executive Government, to notice as they ought, the reprehensible conduct of those officers who have been parties to this shameful transaction.—The speech of the Governor General gives us some reason to expect that this subject will receive proper and immediate attention. But we must reserve further observations till the particular measures are before us, otherwise we should have found it necessary to say much more on the subject of the power of Sheriffs to select Jurors, and the possibility of success of organized conspiracies, in attempts not only affecting liberty, but the life of their political opponents.—*Kingston Constitution.*

**Cure for Worms.**  
**B. A. FAHNESTOCK'S VERMIFUGE;**  
 Prepared by  
**B. A. FAHNESTOCK & CO.**  
 Pittsburg, Pennsylvania.

**THIS** preparation has now stood the test of several years' trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with Worms, certainly renders it worthy the attention of physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects, not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country, and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, **FAHNESTOCK'S VERMIFUGE,** and the directions accompanying each vial have the signature of the proprietor; any medicine put in plain ounce vials, and the signature of which does not correspond with the above description, is not my genuine Vermifuge.

The Subscribers deem it their duty to use the above precautions in order to guard the public against mistaking other worm preparations for their deservedly popular Vermifuge.

We have appointed Mr C C Bristol, No 207 Main St Buffalo, N. Y. our Sole Agent for Western New York & Canada West. The medicine can be obtained there at our wholesale Pittsburgh prices. Terms, Cash.

**Children's Summer Complaint Specific Cordial.**  
 Prepared and sold by Rev. Dr. Bartholomew for the wholesale dealers, Comstock & Co. N. Y.

**MOTHERS** should guard with their serious care the health of their children, and a little medicine always at hand in the house, may not only prevent immense pain and suffering to their tender offspring, but actually save their lives. What parents could ever forgive themselves, if for the want of a reasonable remedy they risked the life of their children till remedies were too late. The complaints of the stomach and bowels of children progress with such rapidity, that unless checked at the start, they are not only hazardous, but almost always fatal. In country places this remedy may be taken with certainty to stop all such complaints, and save the expense of calling a physician, or if a physician is sent for from a distance, this medicine will assure the safety of the child till the physician arrives.

**LET, THEREFORE, NO FAMILY** be without this medicine always at hand in their houses. How would they feel to loose a dear child by neglecting it?

**ADULTS** will find this cordial as useful to them as children; and its being free from all injurious drugs, &c. will be sure to please as well as benefit. In all sickness at stomach and bowel complaints do not fail to employ carefully this cordial.

**WILL YOU, WE ASK,** risk your lives and those of your children by neglecting to keep this in your house, when it only costs **TWENTY FIVE CENTS?** We are sure all humane heads of families must supply themselves with this cordial without delay.

This medicine can be had at Bickle's Medical Hall; also at the Druggist shops of C. H. Webster and J. Winer Hamilton.

**Stationery.**  
**THE** Subscribers are now receiving by the late arrivals at Montreal, a new supply of **Plain and Fancy STATIONERY,** including Account Books of every description—full and half bound.
