

In compliance with an increasing demand, we have placed on the market a

NEW PATENT DUST-PROOF

SCREW BEZEL

Silver Open Face Stem Winding Case

embodying many of the excellent qualities of our original Patent Dust Proof Case, though offered at a lower figure.

The back and center of the new case are made of one continuous piece of solid silver, into which an Albata Cup is screwed identical in shape with the back, thus greatly strengthening it and efficiently protecting the Movement against dust.

THE NEW CASE WILL BE CALLED

ALBATA CUP SCREW BEZEL

We shall continue the manufacture of our popular Patent Dust-Proof Case with Screw Crown and Screw Bezel in all the styles as heretofore, plain and inlaid, with Lever and Pendant Setting.

FOR SALE BY ALL JOBBERS.
