

CHEAP AND ELEGANT PERIODICAL.

THE HALIFAX PEARL is published every Saturday morning on superior paper and type, at the very low price of 13s per annum, if paid in advance. Each number contains eight large quarto pages. The first number of the new series of this work, beautifully printed on an enlarged sheet, has just been issued, and may be seen at the different book-stores in town.

The Pearl has been published for the public, not a section of it; and while endeavouring to amuse and improve all readers in turn, it has been very solicitous to give offence to none. It has sought to be entertaining, without violating morality and decorum; grave without tediousness, and moral, without austerity;—to impart useful knowledge, unencumbered by crabbéd technicalities; to inculcate great principles, irrespective of party bias; on—to diffuse the all-important truths of revelation, divested of controverted topics. It will ever eschew all political warfare and all polemical strife. The Pearl is confidently recommended, as a periodical unqualified in cheapness, respectable in general appearance, and in a literary point of view, not unworthy of an enlarged patronage. Persons who are desirous of subscribing to the Pearl from the commencement of the present year, are requested to forward their names, as early as possible, to either of the Halifax Booksellers, or to the Printing Office of Mr W. Cunneball, as but a limited number of copies have been struck off.

Postmasters and other Agents obtaining subscribers and forwarding the money in advance, will be entitled to receive one copy for every six names.

PROVINCIAL LEGISLATURE.

LEGISLATIVE COUNCIL.

To His Excellency Major-General Sir COLIN CAMPBELL, Knight Commander of the Most Honorable Military Order of the Bath, Lieutenant-Governor and Commander in Chief in and over Her Majesty's Province of Nova-Scotia, and its Dependencies, &c. &c. &c.

THE ADDRESS OF THE LEGISLATIVE COUNCIL.

May it please your Excellency:

We, her Majesty's dutiful and loyal subjects, the Legislative Council of Nova Scotia, humbly beg leave to thank your Excellency for the Speech with which you have been pleased to open the present Session of the Provincial Parliament.

We participate with your Excellency in the painful feelings which the demise of his late most gracious Majesty, King William the Fourth, excited throughout his widely extended dominions. The condescending regard which his Majesty often expressed towards this Province, as the scene where a portion of his early life was spent, has rendered his memory dear to its inhabitants; while the important events of universal interest which have characterised his reign, will ever give to that portion of our history a conspicuous place in the annals of the Empire.

We respond with the deepest emotion to the sentiments of devoted attachment and fealty to our august Queen Victoria, which her accession to the throne has called forth. It gives us pleasure to remember the warm interest which her late Father ever evinced in the wel-
