

Chairman,—

Just before we close I wish to draw your attention to the fact that the reason we are charging more this year for the picnic tickets, than formerly, is on account of the increase in rates charged by our railroad. We are not making any more profit out of it, and we will try and give you a better time, than in other years, if that is possible. Don't forget the paper to be read May 26th on "The How and Why of Safety First."

Moved by Mr. G. Baldwin, seconded by Mr. J. Herriot, that the meeting adjourn. Carried.
