A GREAT AFFLICTION!

STAMMERING

None but those who have suffered with Stammering or other forms of impediment in speech, can realize what they endure who are thus afflicted. Until quite recently, this great affliction has been considered incurable. Such, however, is not the case. In this city there is one of the most successful institutes in the world, where all forms of impediment of speech are treated with the most gratifying results. At the present time, there are stammerers attending this establishment from various parts of the United States and Canada; and some remarkable cures have been effected. Those who are interested in this matter can obtain circulars, with testimonials, &c., by addressing the SUTHERLAND INSTITUTE, 273 Spadina Ave., Toronto, Ont.
