

## NEW BRUNSWICK MIRACLE.

## THE TERRIBLE EXPERIENCE OF A WELL-KNOWN GENTLEMAN.

So Badly Crippled with Rheumatism that he was Helpless as an Infant—How he was Cured—A Lady Relative also Restored to Health.

From the Richbuckto, N.B., Review.

The attention of The Review having been called to two cases in Kingston, in which it was alleged remarkable cures had been effected by the use of Dr. Williams' Pink Pills, a reporter was sent to interview the parties named, and find out whether the cures were really the result of the use of Pink Pills. Mr. Samuel Barnes, who formerly resided in Dorchester, N.B., and who removed to Kingston, Kent Co., some time ago, was first interviewed, and asked whether the reports concerning his illness and his recovery from the use of these pills were true. He expressed himself willing to add his testimony to the many he saw in the papers concerning the wonderful cures effected by Pink Pills, and hoped his story might be the means of bringing relief to others. We give his story as nearly as possible in his own words:—"I was first attacked with acute muscular rheumatism in March, 1891. I was then living in Dorchester. For three months I lay in bed unable to move hand or foot, more helpless than an infant. The joints of my arms and legs were much swollen, and my hands and fingers twisted almost out of shape. The physician who attended me bandaged my limbs and in every way attempted to give me relief, but without effect. Two other doctors were called in consultation, but could do nothing for me. I was told by a friend who called to see me of the wonderful cures reported to have been effected by the use of Pink Pills, and I resolved to cast aside doctors' medicine, and give the pills a trial. When I had about half finished the second box I began to feel slightly better. After taking four or five boxes I was able to get out of bed and walk around the house on crutches. I continued taking the pills until I had taken a dozen boxes, when I stopped for a time. I was then able with the help of crutches to get out of doors and around. I have since removed to Kingston, and continued taking the pills, and have continued to improve and hope soon to be entirely cured. Mr. Barnes is a gentleman of education, whose statements will carry weight. The writer remembers when Mr. Barnes first came to Kingston he was forced to use crutches, and was able to get around only with great difficulty. He is now able to move around using only a cane, and apparently without any difficulty. His hands and fingers, however, still bear traces of the severe suffering he has undergone.

His sister, Mrs. John Taylor, was also a sufferer from muscular rheumatism. She was first attacked by the disease eight years ago, and at that time it was only with great difficulty she was able to move around. Doctor's medicine did not help her, and she tried all kinds of so-called cures for rheumatism, but they appeared to do her no good whatever. Through the advice of Mr. Barnes and with the consent of her physician, she began taking Pink Pills last fall. By the time she had finished the second box she felt decidedly improved. She has now finished her fourth box, and is apparently as well as she ever was. She said she was perfectly willing that the public should know that she was a firm believer in the efficacy of Pink Pills. The improvement wrought by these pills in the case of Mr. Barnes had first induced her to give them a trial, and she was now satisfied that the pills possessed wonderful curative powers.

Dr. Williams' Pink Pills are a specific for all diseases arising from an impoverished condition of the blood or a shattered condition of the nervous forces, such as St. Vitus' dance, locomotor ataxia, rheumatism, paralysis, sciatica, the after effects of la grippe, loss of appetite, headache, dizziness, chronic erysipelas, scrofula, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressions and all forms of female weakness, building anew the blood and restoring the glow of health to pale and sorrow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature.

Dr. Williams' Pink Pills may be had

of all druggists or direct by mail from Dr. Williams' Medicine Company, Brookville, Ont., or Schenectady, N.Y., at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

## CURES BAD BLOOD

MR. FRED CARTER.

DEAR SIR.—I was covered with pimples and small boils and after obtaining no relief from a doctor tried different remedies without success until one Sunday I was given 4 of a bottle of Burdock Blood Bitters, by the use of which the sores were sent flying in about one week's time. I made up my mind never to be without B.B.B. in the house, and I can highly recommend it to all.

FRED. CARTER, Haney, B. C.

I can answer for the truth of the above.
