The Sewing Machines above mentioned are all manufactured in Canada, by Messrs. C. W. Williams & Co., Montreal, (with whom a contract has been made for the delivery of as many of each machine as we may require); they are fully equal if not superior to the very linest machines of American manufacture, and represent a value nearly double of the figures above quoted, if the price of the American machines be taken as the standard. All who receive one of these machines will have entire satisfaction with it. The machines all sew with two threads and do either the lock stitch, or the double loop-stitch, neither of which will rip.

Further, any person entitled to receive a Sewing Machine and desiring one of higher price, can have it by paring the difference to the manufacturers.

by paying the difference to the manufacturers.

The Gold and Silver Watches offered as prizes are all first class and imported for us by a leading house in Montreal, (Messrs. Schwob Bros.) Each watch will be sent, post or express paid, in a neat case; the cases

for the Gold Watches of high price being beautifully finished with inlaid woods.

Those who prefer to canvass for each prizes, that is to say on commission, and compete at the same time for the Grand Premiums mentioned in the next list, may do so: Thus, any one having formed a club of 5 (and receiving in consequence the HEARTHSTONE free) may retain 25 cents out of every subscription collected thence forward, and the remittance of the balance, \$1.75, will be counted as a full subscription in the competition. The club of 5 will also be included.
