**If you have Money to Invest, don't waste time
learning of the splendid opportunities
of the Great Canadian West**

You doubtless have read of the remarkable development of British Columbia during the last few years. Remarkable as has been recent progress its immense timber, mineral and agricultural resources have scarcely been touched, comparatively speaking. We have many first-class securities to offer the conservative investor at 7 per cent. Ready cash can work to better advantage than anywhere in building up this new country.

British Columbia — Timber —

The difficulty of obtaining impartial, reliable information regarding any special section of timber in British Columbia has led this company to install a department under the supervision of Mr. G. F. Gibson, devoted exclusively to timber.

The company acts solely as agent, and will neither purchase nor sell for itself, consequently its recommendations are impartial.

Special reports by most reliable cruisers, noting accessibility for logging, will be furnished with as little delay as careful examination will permit.

Correspondence solicited.
