Ostermoor, rather than lose his position? The "tired" man, the languid, care-worn, woman, are not popular in business or social life. Sleep without rest is useless; a poor mattress means little rest. Perfect repose means an

OSTERMOOR

MATTRESS \$ 15.

Note how the Ostermoor is made. Then you will understand why it is so restful and comfortable; why it soothes the work-weary to sound, refreshing sleep.

This is the secret: Fluffy, billowy, Cotton, new from the plantation where it has thrived on the languorous Southern heat, naturally springy, is woven by our exclusive process into sheets so wonderfully elastic that a single one would make a comfortable bed. Yet in the Ostermoor Mattress there are EIGHT of these resilient sheets, laid by hand one upon another.

And an Ostermoor Mattress remains supremely restful and comfortable for a lifetime. It never needs re-making—"First cost is last and only cost."

The name "Ostermoor" and trademarked label in red and black are sewn into the end band of every genuine Ostermoor Mattress, and are a PERSONAL GUARANTEE to you of every quality we claim.

One dealer in every live, Western town sells the Ostermoor Mattress. Write us for his name and copy of our descriptive booklet.
