

EXCHANGE OF LETTERS (MARCH 15 AND 16, 1951) BETWEEN CANADA AND  
THE UNITED STATES OF AMERICA PROVIDING FOR THE RENEWAL OF  
THE ARRANGEMENT OF 1942 FOR THE EXCHANGE OF AGRICULTURAL  
LABOUR AND MACHINERY.

## I

*The Under-Secretary of State for External Affairs to the  
Chargé d'affaires ad interim of the United States of America*

DEPARTMENT OF EXTERNAL AFFAIRS

OTTAWA, March 15, 1951.

DEAR MR. BLISS,

By an exchange of letters dated June 29 and July 6, 1950\*, our Governments renewed for the duration of 1950, an agreement first entered into in 1942 for the exchange of harvesting machinery and crews in the prairie regions of Canada and the United States, and for other movements of farm labour between our two countries.

During the past year the results achieved under this agreement have proved very satisfactory, and for this reason the Canadian Government wishes to extend the agreement through 1951. I would appreciate your letting me know whether the United States Government shares this desire.

Should this proposal meet with the approval of your Government, it is the suggestion of my Government that this letter and your reply be considered the formal extension, until the end of 1951, of the agreement which was effective last year, and that the details of the movement of farm labour and machinery mentioned above be arranged between the Canadian and United States officials directly concerned.

Yours sincerely,

A. D. P. HEENEY.
