C. R. Wilkinson, Esq.,
Wingham, Ont.

Dear Mr. Wilkinson:-

On my return to the city I found your correspondence and telegram with reference to the unveiling of a memorial at Wingham.

I am sorry but it will not be possible for me to visit Wingham during July. If it were during the first two weeks of September I should be pleased to go, but during July and August it would be impossible.

I am glad that the citizens of Wingham are perpetuating the memory of the men who so willingly gave their lives for freedom.

With all good wishes and regretting that I cannot be with you in July, I am,

Yours faithfully,
