

November 3, 1926.

Son Grace Monseigneur Georges Gauthier,
Archbishop of Montreal,
Bishops' Palace.

Monsieur:-

With reference to our recent conversation concerning the policy of legal education now followed at McGill, I have pleasure in forwarding you a copy of the report of the Faculty of Law, upon the basis of which the change was made.

While the document is to a certain extent confidential, and should not be quoted in extenso, there is no objection to use being made of any part of it.

Yours faithfully,

Wilfrid Bovey.
