
Her Majesty's Loyal Opposition,

IN THIS

HER YEAR OF JUBILEE.

"I feel all the better able to fight when I know that I am fighting side by side with loyal men. We are loyal all of us. We are loyal to our Queen. We are loyal to British connection. We are loyal to the Dominion of Canada. We are loyal to this, our own dear Province of Ontario. It is because we are loyal to all of these that we are Reformers, and it is because we are loyal to all of these that we mean to do our best to make the whole country Reform before three or four months are over.

—Hon. Oliver Mowat, vide Cobourg "World,"
2nd December, 1886.
