

poses, is the best that has ever been suggested in the Province of Quebec and, if carried out, will prove a benefit to the Limit Holder as well as to the Settler. Hon. Mr. Prévost's policy will be the commencement of a new era for the Limit Holders in the Province of Quebec.

We must not judge a man simply by a stray remark here and there ; but take his words and expressions as a whole.

Hon. Mr. Prévost's Speech at the Ottawa Forestry Convention

Hon. Mr. Prévost's address at the Forestry convention held at Ottawa, and to which Hon. Senator Edwards made mention as stated above, also outlines his policy and his remarks were as follows :

« I am highly gratified, indeed, to be afforded an opportunity to cooperate in the work of a convention, the proceedings of which, I hope, will bring about the most satisfactory results towards furthering the prosperity of this
