Alberta and Saskatchewan. The Commercial also reaches the leading wholesale, commission manufacturing and financial houses of Eastern Canada.

APPLE buyers in Ontario are now offering \$1.75 per barrel for apples in the orchards. Buyers furnish the barrels and pack the apples, and the growers haul the apples to the nearest railway station free of charge. Our of five applications for liquor licenses from Emerson, Man., only three were granted. the Commissioner holding that under the law the population of the town only warranted the issue of three licenses, which were granted to the Russell House, Emerson House and Carney House. Why the Commissioners should have selected the Anglo-American Hotel for sacrifice is not understood, as the place ranked as one of the leading hotels of the town.
