Up-town Passenger Depot Should Soon Be Started-Property Available Near Crossing in Demand.

The first move toward preparing the site of the new uptown passenger station is being made by the William Day-

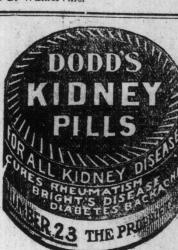

organized on June 14. It will be known as The Baker Motor Vehicle Company of Canada, Limited, and will control the sole Canadian rights for the famous Baker electric vehicles. The company manufacture all the models now being made by the Baker Motor Vehicle Company of Cleveland, Ohio, who are the oldest and most archivity. The delegates, instead of objecting to the Ford Company. "The policemen should have definite instructions as to what to do with the congested traffic on the dewntown thorofares. "Very often." he continued. "a motor of the company manufacture all the models rip!" "Exceeding the speed limit!" "Where is the traffic cop?" and similar shouts.

The delegates, instead of objecting to the policemen should have definite instructions as to what to do with the congested traffic on the dewntown thorofares. "Very often." he continued. "a motor of the commandation and cries of "Let 'er try." "Exceeding the speed limit!" "Exceeding the speed limit!" "The policemen should have definite instructions as to what to do with the congested traffic on the dewntown thorofares.

"Very often." he continued. "a motor of the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the continued of the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth, sixth and seventh Mississippi districts, the fourth North Carolic and the committee on the second fifth and the committee

The directors are as follows: Hiram H. Walker, J. H. Coburn, W. H. C. Burnett, C. B. Henderson, F. B. White, R. C. Norton and George H. Kelly of

start operations immediately and they hope to be able to build both pleasure and commerical electric vehicles in the near future. The factory will likely be at Walkerville.

Vast Throngs Which Watched More Exciting Scenes of Previous Days Have Dwindled Away as Projects of Further Fighting Faded—Credentials Committee Causes Wait.

which they purchased in the last two weeks at 1150 and 1152 Yonge-street, on the west side between the crossing and term adherents before the day or night the west side between the crossing and Mariboro-avenue. Alterations on the purchased property were begun yesterday and Davies will move in as soon as possible.

The approach of the time when the station will be started and the fact that there is now no doubt as to its location is making values increase at a good rate. The C. P. R. or the C. N. R. interests own so much property right near the crossing and close to the new station that what little property is available is commanding good figures frem investors willing to hold until this new uptown business district is well on its feet.

They located forward only the defeated forces was evident from their depressed manth, and disheartened third the defeated and disheartened third the defeated and disheartened third term followers had no hopes of rallying their defeated forces was considered to the day or night term adherents before the day or night took them city in the continent, in proportion or choise for the continent, in the trook to took them until to-morrow morning, and the nadjourn and go home, the tired be expended in

There Must Be More Care on the Part of Pedestrians if Motor Accidents Are to Be Avoided-Drivers of Automobiles Not Altogether to Blame-Public Careless.

The ever-present danger from motor traffic, whether on the part of the motor drivers or the pedestrians, has been fully discussed by some prominent authorities about town, and the majority of them are of the opinion that there is a need for more care on the part of the latter than is exercised at present.

long time been cognizant of the dangers that exist on the city streets, and has always made it a point of explaining to the inspectors and teachers under his care the absolute necessity of instilling the young minds with the orthodox rules of the road plus common sense and that they must be sense, and that they must be ht to only cross the road at the proper intersections—that streets were never laid out especially for baseball and other kindred sports.

The following instructions have been seny to all schools in the City of Toronto by the chief inspector, with special orders to the respective school-masters to see that they are carried

tents recently suggests that teachers hould teach all their pupils to cross he street only at street corners and proper intersections, where there are usually good lights; secondly, never to tin across the street in front of a treet car or motor (two recent accients were caused by people hurrying teross the road in front of a street ar), to find themselves immediately

car), to find themselves immediately in front of a motor car as soon as they get past the street car. In such cases the drivers of the motor cars are not responsible for accidents.

"Please ask your teachers to impress these two points upon their pupils, that the danger is on the side of the street to which the individual is going."

Children seem to prefer the streets to parks and playgrounds, said Mr. Hughes, and do what the authorities will, the boys will do just the contrary to what is expected of them. Toronto

who are the oldest and most exclusive manufacturers of electric vehicles in the world.

The personnel of the new company is as follows: Hiram H. Walker, of Walkerville, president; J. H. Coburn, of Walkerville, secretary; W. H. C. Burnett, treasurer; R. C. Norton, Cleveland, vice-president, The directors are as follows: Hiram H. Walker, J. H. Coburn, w. H. C. Parker of the directors are as follows: Hiram en of the new company is the temporary chairman to give their of the policemen, who should be traffic regulation experts. Not only to meet a vehicle which has been signalled to pass on by the policemen, on point duty An orthous code of signals should be traffic regulation experts. Not only the meet a vehicle which has been signalled to pass on by the policemen, of the policemen, whose name he is alleged to a document for \$16,000 the temporary chairman to give their of the reports. WELLAND

largest cities on the continent," stated Mr. Fox, "but her streets are no wider than a town sway back, and to offset this difficulty the city council must come forward with some solution."

Controller Foster, in discussing this question, thought that the problem could only be solved by educating the children to the danger of playing on the streets. No city bylaw, he contended, would be of any use, since there could be no adequate method of enforcing regulations if they were imposed.
