Londoners Dine the New Divi. sional Superintendent of the Grand Trunk.

Mr. U. E. Gillen, of Toronto, the new superintendent of the middle division President. W. R. Vining, Dr. Teasdale, M. H. Rowland, skip. of the Grand Trunk, came to the city Dr. J. D. Wilson, pany of his London friends, who de- J. S. McDougall, skip sired to tender him a farewell dinner W. G. Coles, and express their appreciation of one of the most popular and effirailwaymen in the coun-w. Mara, w. G. Beilingem, superintendent of the Grand Trunk A. Heaman, for the past two years, made many J. McNee, Dr. J. N. Wood, skip. will of the business and traveling community by his evident desire to meet all reasonable demands and wishes. The dinner last night was presided over by O. H. Talbot, Mr. B. S. Murray, of the Canadian Ex- F. press Company, and the company was A. White, w. Cox, skip. representative of the commercial and transportation interests. The chairman voiced the sentiments of all who had come into contact with Mr. Gillen J. Pritchard, skip. by expressing regret at his removal from London, while congratulating him upon his well-earned promotion. He referred to Mr. Gillen's rapid advance from the foot of the ladder to one of the highest positions in the callway world. Mr. Sam Stevely, president of the London Board of Trade, replied to the toast of "The City of London," and paid a high compliment to the guest of the evening. Mr. C. W. McGuire, president of the Travelers' McGuire, president of the Travelers came to Otto Creek. He very obligingly said, "Yes, certainly." The baggige

GENERAL ASSEMBLY ON CHURCH UNION

Some Opposition to the Idea Has Recently Been Developed.

Montreal, June 10.-The question of

union has come to be the pivot en which the interest of the General Assembly of the Presbyterian Church turns, a fact which was evidenced by the attendance this afternoon-the largest since the opening of the proceedings-and also by the intensity of feeling that manifested itself. A debate marked by much vigor ended impotently, however, the arrival of the hour for adjournment preventing a decision on the points raised. The discussion practically resolved itself into byteries, sessions and congregations for lbs, quiet, 52s 6d; do, heavy, 35 to 40 lbs. consideration. The former step was It was of the large refrigerator proposed by the assembly committee, lbs, quiet, 498; clear centes, geen Presbytery, was that meantime the negotiations for union be abandonkeep the stove going, the thermometer went ahead and manufactured the to death under the wheels, his body had certainly been made towards union ed.
