The World correspondent was informed to-day by a member of the Gouin ministry that by to-morrow the Hon. J. Adelard Turgeon would be out of the government. It is said that Sir Lomar Gouin accepts his colleague's resignation with extreme regret.

WINNIPEG, Jan. 14.—(Special.)—

Back in a different dialect and very cleverily were they rendered. Scotch, Irish and the curious dialect of the Kentucky mountaineer were represented. The humor they contained was much appreciated, and put Miss Prattis on good terms with her audience.

Mr. MacGregor's two songs met with much appleause and a recall. Then Miss Prattis gave what was really the surprise from Sir Walter Scott's "Ivanhoe," which had been arranged in the form of dialogs and scenes, the principal characters being Rebecca of York, Ivanhoe and the Norman knight, Sir Brian de Bojs-Guilbert. This rendering of classic prose occupied nearly half an hour alone but the interest was kept up till the last, and it was easily the best number on the program.

WINNIPEG, Jan. 14.—(Special.)—
Premier Roblin stated this morning that the reply of the premiers to the Grain Growers' Executive had been declared satisfactory, and that he would sign it at ence.

Flowers were so numerous that Miss prattis was bowing in acknowledgment of bouquets presented as many times as she appeared. The elocutionist scored a complete success, and a further proof of it was in the announcement that the Northern W.C.T.U. had engaged Miss Prattis to appear in Bloor-street Baptist Church, and that a similar engagement had been made for Bond-street Congregational Church.

The investment is placed at \$5,000,000 or \$6,000,000, with a probable expansion to \$10,000,000. One of the first things that will be undertaken is R. R.
