

An Extraordinary Sale For Two Hours Only!

We have decided on a drastic policy to keep our stock of Men's Suits and Overcoats absolutely fresh and new all the time—not one garment carried over which should have been sold during the previous month. This means that every month-end there will be a clearance sale, instead of a general clean-up once or twice a year, as is usual with every clothing store. You will be quick to see the meaning of this to you, and the convenience of it to us.

TODAY (FRIDAY) Between 12 and 2 o'clock

We hold the first of these monthly events, when you will have the opportunity of securing fall and winter clothes at big reductions in price. There will be offered:

50 Men's Suits

All Sizes from 32 to 42

30 Fall O'Coats

Sizes 32 to 44

Your Choice of Either at the One Price

\$12.00

Regular Value up to \$20

These suits and overcoats are all first-class values, made from the finest of materials for fall trade. In the ordinary course of business they would probably all be sold during October, but we cannot wait. The big reductions in price mean that they will be sold today, and if you want one remember that they will be on sale only between the hours of 12 noon and 2 p.m. Extra salesmen will be here to give you quick service.
