MASKED MEN BURN AND LOOT STORES IN AN IRISH TOWN

Attack Said to Have Been Made in Revenge for Death of Soldiers. POLICE QUENCH FLAMES

Templemore, Ireland, Oct. 31.—Templemore Friday night was the scene of five hours of terrorism, when military forces raided the town, armed with guns, hatchets and other implements. They fired shots and burned premises, but no casualties have been reported. Several jewelry and clothing stores were broken into and looted, and after being sprayed with petrol, were set on fire. Windows in more than fifty houses were smashed, but the occupants escaped without injury. The proprietor of the burned shops asserted they were set on fire by fifteen men, some of them wearing trench helmets and others masks. Members of the clergy and "black and tan" and other policemen helped to put out the flames. Many people left the town, fearing further reprisals; others took refuge in the police barracks. Tribute has been paid in some quarters to the policemen and the "black and tan" police for their assistance and behavior during the rioting. The raid is believed to have been in reprisal for the attack on an army lorry at Tipperary, Thursday, when three soldiers were killed and five wounded.

HAMILTON WOMAN HURT BY TORONTO MOTORIST

Hamilton, Oct. 31.—(Special).—Mrs. Cecil Burns, 55 Colbourne street, was seriously injured by being struck by an automobile, driven by Alfred T. Smith, 23 Third street, Toronto, late Saturday night, at the corner of James and Colbourne streets. After striking the woman, the car is said to have passed over her body. Dr. Downs was called and after examining the injured woman had her removed to St. Joseph's Hospital for an X-ray examination.

LIES IN HANDS OF GREEK PEOPLE

Acceptance of Throne Conditional on Their Approval, Says Paul.

Lucerne, Switzerland, Oct. 31.—Acceptance of the Greek throne by Prince Paul depends entirely upon the wishes of the Greek people, the prince told the Greek minister to Switzerland yesterday, when informed verbally that the Greek government considered him called to assume the duties of sovereign. He declares, only in the event the Greek people did not wish the return of King Constantine and excluded Prince George, the Duke of Sparta, he would accept the offer made by the government. Prince Paul said, however, that he considered the throne belonged to King Constantine, and that Prince George had the first call to the honor. The minister, in extending the offer to Prince Paul, said the Greek government desired to know in advance whether King Constantine and Prince George would recognize the accession of the younger prince.

SUGAR PRICES CANNOT BE PROPPED UP LONG

However Sugar War in the U. S. May Result, Flood of Offerings From Producing Countries Must Later Cause Downward Price Trend—Montreal Becoming Suspicious of New York.

Montreal, Oct. 30.—(Special).—The sugar men of this city, whether holders of shares in the refineries or of stocks of raw and refined sugars stored here or in Cuba, all anxiously await the result of the war still on in the States between the American Refinery and the Arbuckle syndicate, in which millions are involved, and the supremacy of the American trade is threatened. If the Arbuckles come out on top, sugar will go up in price for a time; and the speculators hope in that case to unload, and those who advanced the money to carry the sugars hope to get most of it back. No Prolonged Check. But even if a new combine is effected in the States, it can only be for a time; refined sugar in immense quantities, made from new low-priced raw sugar, will be offered by the refineries of Europe and elsewhere, put out of business by the

FLAG OF SALVATION FLIES THRU WORLD

Work of Army Organization Established in Sixty-Seven Countries and Ten Thousand Places, General Booth Tells Vast Audience in Massey Hall—Great Work for Homeless People.

As General Bramwell Booth stood on the platform at Massey Hall yesterday afternoon addressing one of the largest and most unique gatherings seen in Toronto for many years, it was possible to study him and decide what manner of man he is. To an observer of human nature he appears to be just a good, kindly, wholehearted father—and the father he is of one of the largest bodies of religiousists in the world. His face and his every action denote love and goodness; and it is little wonder that men, women and children in every degree of life are prepared to treat him as a guide, as a friend and an advisor. Somehow or other the general does not strike one as being the chief of a great army—he is so paternal and anxious to serve the other fellow and not to be served. Nature has been kind to the general, for it has given him the aptitude to rule without seeming to command, and to treat those under him as a family, of which he is the senior parent. It is little wonder that out of such attributes love should grow and that every Salvationist loves his general and that every layman has more than respect and regard for him was amply manifested yesterday at Massey Hall. Enthusiastic Welcome. General Booth, on rising to speak, was received with round and round of cheers, the vast audience rising as an additional token. He said that it was a pleasure for him to find that all sections of society in Canada recognized the worth of the Salvation Army. In every part of the world the general found men of high and low degree, casta, and various creeds or religion and men of diverse political parties agreed that the Salvation Army was doing good work for the world. All these men might not approve of all the Army did, but whatever differences there might be over details it was an established fact that they all spoke warmly and gratefully of the work the Army was trying to accomplish. Nothing, he declared, could be more encouraging to the Army workers than to feel that the hearty and sympathy of the people were turned towards them. The dominant note in the minds of the Army heads was a desire to accomplish more and go on to greater ends. Dealing with the organization of the Army, General Booth said it was (Continued on Page 5, Column 2).

FARMERS AVERAGE \$2.50 FOR WHEAT

Final Dividend on Participation Certificates to Be 18 Cents Bushel.

BIG DISTRIBUTION

Winnipeg, Oct. 31.—(By Canadian Press).—Realizing that producers are anxious to know, as early as possible, the full value of their participation certificates, the Canadian Wheat Board announced it had made a careful audit of its accounts up to a recent date. The result indicates that it can pay the final dividend of 18 cents, making a total of 48 cents. This will make the price basis, No. 1 northern, in store Fort William, \$2.53, or an average price through the year at points of shipment in Manitoba, Saskatchewan and Alberta, of \$2.50 per bushel. The board has already distributed on the interim dividend, about \$38,000,000, and payment of the balance of approximately \$28,000,000 will, it is hoped, be commenced about the middle of November and completed before the end of the year. Over \$60,000,000 of the foregoing will be distributed among the producers in the three prairie provinces, the balance in eastern Canada and British Columbia. The interim payment was 30 cents per bushel, but the time interim payments were commenced, it was announced that the participation certificates would be worth at least around 40 cents.

NO COLORED BLOOD IN HARDING'S VEINS; ROORBACK DENIED

Maligning of Republican Presidential Candidate Proved False. ANCESTRY IS OUTLINED

New York, Oct. 31.—The prize roorback of the present presidential campaign in the United States has been launched and denied. It compares unfavorably with any other roorback in history. For weeks it has been circulated, in whispered conversations, in anonymous circular letters, in every way, but openly published statements. Its first formal recognition, however, came Friday last, when Prof. Chancellor of Wooster College, in Ohio, was dismissed from the college faculty when he admitted authorship of certain letters in which Warren G. Harding, Republican candidate for president, was maligning. Then the press at last took up the roorback and the Cincinnati Times-Star on Saturday published, under the signatures of Charles P. Taft, its publisher, and Herbert Taft, its editor, an editorial entitled "The Truth About Harding's Ancestry." The "underground propaganda had been to the effect that Senator Harding had negro blood in his veins. Fifty years ago," said the editorial, "personal scandal and whispered lies against the candidates played a considerable part in American politics. Until this year it seemed that we had been getting away from that."

TWELVE MEN KILLED BY OIL EXPLOSION

Were in Distributing Tower at Tonawanda When Power Short-Circuited.

FOUR DIED INSTANTLY

North Tonawanda, N.Y., Oct. 31.—Twelve men were killed early this morning in an explosion and fire at the distributing tower of the Niagara Falls Power Company here. The explosion occurred a few minutes after two new transformers had been cut-in at the distributing tower of the power company's plant. Thirteen men were crowded in the room watching the work of the new machinery, when there was an explosion, apparently caused by a short circuit. The force of the blast burst a steel barrel of lubricating oil which formed part of the new equipment and the flash of the electricity ignited this oil, which was thrown over the men in the room. Four men were instantly killed, apparently. One escaped serious burns. (Continued on Page 5, Column 7).

WHOLESALE ARRESTS IN GAMBLING RAIDS

Seven foreigners were arrested in a raid on the house at 42 St. Patrick street yesterday afternoon by P. C.'s Mulholland and Bayne. The men are held on a charge of gambling on the Lord's Day. The same two officers also conducted a raid on the house at 27 Elizabeth street, in which fifteen Chinamen were taken in custody also on a charge of gambling on the Lord's Day.

CAMPAIGN IN U. S. OFFICIALLY ENDED

Both Republicans and Democrats Claim Coming Victory Tomorrow—Harding Has Finished Speech-Making, and Cox Will Make One More Deliverance—New House of Representatives to Be Elected.

New York, Oct. 31.—Leaders of the two great parties in the national campaign in the United States rested today in anticipation of the final effort at vote-getting tomorrow, after which the people will decide at the polls Tuesday. Officially the campaign ended last night, but there will still be a few parties. The it had been announced that there would be no campaign activities on account of the Sabbath, chairmen of both Republican and Democratic national committees spent a part of the day at their headquarters. Each reiterated his prediction of yesterday at mass yesterday that the candidate of his party would be elected. No pre-election statement was issued by the other contending parties—Socialist, Farmer-Labor, Prohibition and Social-Labor. Senator Harding has closed his campaign of speech-making and returned to his Marion home to await the result of Tuesday's balloting. Gov. Cox has one more appeal to launch to citizens of his own state. This he will do in Toledo tomorrow evening. Secretary Stedman, Socialist candidate for vice-president, is in the west leading the fight for his party in the absence of his principal, Eugene V. Debs, who is a prisoner in the federal penitentiary at Atlanta serving sentence for violation of the espionage laws. With H. Hays summed up the case for Senator Harding in a statement in which he defined the issues of the campaign. According to Mr. Hays, (Continued on Page 5, Column 5).

FALL FROM WAGON RESULTS IN DEATH

When he fell from the wagon he was driving at Simcoe and Caer Howell streets on Saturday, William McDonald, 66 Midway street, received fatal injuries and died shortly after his admission to the General Hospital.

OPEN OFFENSIVE AGAINST WRANGLER

Bolsheviki Attacking at Two Points to Wipe Out His Armies. Sebastopol, Crimea, Oct. 31.—Russian Bolsheviki forces have begun a violent offensive to wipe out the armies commanded by General Baron Wrangel, head of the South Russian government. The Bolsheviki have attacked at two points, crossing the Dnieper River opposite Nikolopol and branching out from Khakovka. Troops from the Polish front, as well as masses of Siberian forces, are being used in the offensive, and heavy reinforcements are being rushed up in the effort to break thru General Wrangel's lines. This is the first time General Wrangel has been outnumbered and excited in artillery and supplies. He has been shortening his front to create reserve forces in preparation for the offensive, which he has expected for the last few days. Cossack General Captured. London, Oct. 31.—A wireless despatch from Moscow reports that Gen. Semenov, the Cossack anti-Bolshevik leader in Siberia, has been captured by irregular troops. He was fleeing by airplane from Chita, his headquarters, says the despatch, and was captured when he landed at Makeevo station.

HALLOWE'EN IN TORONTO QUIET

Eight False Alarms Turned in—Juveniles Keep Up Old Customs. Halloween passed off quietly in Toronto, although the firemen were called in response to alarms turned in by practical jokers. There were eight such false alarms during Saturday night and the early hours of Sunday morning, but the number was considerably below that of a year ago. The university students, who in by-gone times made the Halloween season one of memorable pranks, have in recent years restrained their exuberant spirits, and on Saturday night the collegians were not much in evidence on the downtown streets. However, the "younger set" was out in force, and in grotesque costume, and the time-honored cry of "shell out" was heard in all quarters of the city.

CIVIC RECEPTION TO GENERAL BOOTH

Saturday's open-air welcome at the city hall to the head of the Salvation Army was a thoroughly democratic affair, in which thousands of citizens, mazing around the city hall steps and on the lawn, were glad to have a part. General Booth is on the left of the picture, immediately behind the big megaphone. The other three in the foreground are Mayor Church, Controller Cameron and Controller Maguire.

MACSWINEY BURIED IN CORK CEMETERY WITHOUT DISORDER

Armored Cars and Troops Ready in Case of Outbreak. AN IMPOSING CEREMONY

Cork, Oct. 31.—In the presence of surprised church dignitaries, scores of his former comrades, volunteers, and thousands of his countrymen, the body of Terence MacSwiney, late lord mayor of Cork, was lowered to its resting place in the "Republican plot" in St. Finbar's cemetery, just outside Cork, this afternoon. Despite the splendor lent the scene by the attendance of high churchmen, there was a simplicity marking the ceremonies that was impressive. Outside the cemetery, hidden by the enormous crush of townspersons, two armored cars, their machine guns ready, and a half dozen lorries filled with fully equipped soldiers, were drawn up at the roadside, imparting a sinister air to the otherwise solemn proceedings. But during the transfer of the body from the city hall thru streets lined with crowds to St. Mary's cathedral, and during the procession from the cathedral to the cemetery, there was not an incident of violence or disturbance. The city of Cork and the whole countryside paid tribute to the memory of their "new martyr." The body was buried beside that of former Lord Mayor MacCurtain, who was assassinated. A few yards away are the graves of Jos. Murphy, who, like MacSwiney, (Continued on Page 6, Column 4).

PRIEST IN TORONTO DENIES MACSWINEY COMMITTED SUICIDE

Died for Cause and His Country, Rev. Father Cline Declares.

PRINCIPLE AT STAKE

In the course of his announcements during the masses in Holy Name Church, Danforth avenue, yesterday, at each of which unusually large congregations were present, Rev. M. Cline, pastor, referred to the late Lord Mayor Terence MacSwiney as follows: "I am pleased to say that a jury composed of Englishmen vindicated the late Lord Mayor MacSwiney in death. The free, according to the coroner's instructions, to bring in a verdict of suicide, they returned a verdict of 'Heart failure consequent on a refusal of food.' I deem it a duty, in the interest of truth and justice, to make a passing remark. The late Lord Mayor MacSwiney stood in the forefront of Ireland's defenders and witnessed the justice of his country's cause by dying for it. He resented the brute force methods of a government that tried to overawe the weaker of his fellow-countrymen, and threw himself against the aggressor in the only manner open to him—abstention from prison food. For Cause and Country. "Nobody can deny he had a cause and a country, and that he died for both. His determination of food, Ireland must not be enslaved, tho it cost him his life. He realized that it (Continued on Page 4, Column 1).

KITCHENER TRAGEDIES FOLLOWED BY ARRESTS

Motor Car Kills Bicyclist on a Main Street, and Within 15 Minutes, Near Same Spot, Riderless Motorcycle Crashes Into Man and Wife, Injuring Former Badly and Killing Latter—Three Men Face Manslaughter Charges.

Kitchener, Ont., Oct. 31.—Halloween festivities in this city were tragically marred last night when two persons were killed and a third seriously injured in two motor accidents, which occurred on King street within about fifteen minutes, Albert McGruther, formerly of Parry Sound, being the first victim, and Mrs. Edward Ludwig, aged 27, of 101 Wellington street, the second. McGruther, who was riding a bicycle beside a moving van in which he was transferring his household effects from Waterloo to Lancaster street, Kitchener, was run into by a motor car driven by Russel Hahn of Geidelberg. Hahn is being held on a charge of manslaughter. The second accident was an unusual one. Mrs. Edward Ludwig and her husband were knocked down and behind when a riderless motorcycle with a side carriage jumped from the pavement onto the sidewalk, crashing into the couple, killing Mrs. Ludwig almost instantly and seriously injuring her husband. Hit By Riderless Motorcycle. The cause of the accident was a crash between two motorcycles about 200 feet east of where the tragedy occurred. William Schaefer, who was riding the motorcycle which killed the woman, was knocked from his machine by a motorcycle driven by Walter Heiser, as a result of the latter trying to pass Schaefer's machine, and crashing into it as he was about to pass. Schaefer was thrown from his machine and the motorcycle, going at high speed, continued riderless, dashing west on King street for about 200 yards, when it leaped suddenly to the sidewalk, bowling over Mr. and Mrs. Ludwig. The cycle kept on its wild career along the sidewalk, and was driven by Russel Hahn of Geidelberg, Hahn is being held on a charge of manslaughter. The second accident was an unusual one. Mrs. Edward Ludwig and her husband were knocked down and behind when a riderless motorcycle with a side carriage jumped from the pavement onto the sidewalk, crashing into the couple, killing Mrs. Ludwig almost (Continued on Page 7, Column 6).
