### CAPT. GEORGE KEEFFE AND MISS RICHARD WED

Interesting Event Took Place in Dorchester This Afternoon

A wedding of much social interest in many parts of the province, especially in St. John, was solemnized this afternoon at 4.30 o'clock in Dorchester, N.B., when Miss Carmelita Richard, daughter of Hon. and Mrs. A. D. Richard, of Dorchester, became the bride of Captain George Keefe, son of Mr. and Mrs. John Keefe of this city. The bride, who is well known socially in this city, was given away by her brother, E. Rene Richard, her father being ill. She was gowned in a beautiful dress of white satin, with veil and orange blossoms and carried a corsage bouquet of white roses, lilies of the valley and sweet peas. Miss Irma Richard, sister of the bride, made a pretty bridesmaid. She was becomingly attired in a dress of pale blue crepe de chene and wore a large picture hat and carried a bouquet of pink roses and forget-me-nots. John Keefe, jr., brother of the groom, was groomsmen.

As the bride entered the church Mendelssohn's wedding march was played by Claude Doiron, organist at St. Joseph's College. The ceremony was performed by Rev. Benjamin LeCavalier, C.S.C., president of St. Joseph's, assisted by Rev. Father Dufour. During the ceremony the choir sang "O Perfect Love."

The groom was dressed in full military uniform, he being one of the officers of the famous 26th Battalion. He saw service in France and, following his recovery from wounds, returned home and is at present attached to the staff of No. 6 Military Division at Halifax, with the rank of captain.

Following the wedding, Captain and Mrs. Keefe left for Montreal and the larger American cities where they will spend their honeymoon. On their return they will take apartments in Halifax.

Mr. and Mrs. John Keefe and family went to Dorchester to attend the wedding.

Both the bride and groom are well known to New Brunswick and elsewhere and both have many friends who will join in extending to them many good wishes.

### POLICE COURT

Following an early morning raid by Detectives McAlush and Briggs with Policemen McLeese and Winters and County Policeman Saunders, Herbert Danafer and his wife were in the police court this morning charged with keeping a disorderly house at 86 Marsh road and Thomas Brady, Charles McInerney and John McAvity were charged with being inmates.

The evidence of the police was that following complaints, they paid a visit to the house early this morning, heard loud talking and cursing and swearing. When they knocked at the door Danafer let them in. Brady and McInerney were then found in a room off the kitchen lying on the floor with a few clothes over them. McAvity was found up stairs in bed with all his clothes on a white sheet covering him and two bottles of hop beer alongside the bed.

Evidence was given by Detectives Briggs, McAlush, Barrett, Policemen Hopkins and County Policeman Saunders. The woman was arrested a few minutes before the raid in Haymarket square by Briggs.

Detective Briggs said that Brady was a hard working man and had a large family. U. J. Sweeney appeared for the defendants.

Danafer was called in his own defence. He said that McInerney worked at longshore work and boarded with him. McAvity was doing some painting in the house and had been there about a week. Brady was there only for the night as he was going with the witness and McInerney to work early this morning. Brady was also called to the stand.

Mr. Sweeney asked for the dismissal of the prisoners, saying that there was not sufficient evidence to constitute a disorderly house. The court ruled otherwise and had the prisoners remanded.

Nick Jager, otherwise Gorat, was committed to stand trial for the theft of a watch from a soldier now overseas in a house in Smythe street. The evidence of Detective Barrett concluded the case for the prosecution.

William M. Ryan asked that the prisoner be discharged on the ground that the evidence against the man was only circumstantial. He said that there was a plot to train the defendant and a peculiar thing was that the prisoner had lost a watch and it was found on one of the witnesses, the man who gave the defendant in charge.

The magistrate said that there was not a strong presumption of guilt on the part of Jager, but all he could do was to commit him for trial and admit him to bail in \$400 for himself and \$200 from two other persons.

## LIEUTENANT F. C. MANNING GIVES HIS LIFE IN THE WAR

### Succumbs to Wounds Received in Great Fighting on Western Front—Son of Rev. Dr. Steel Wounded—Other Local Casualties

That Lieutenant Frederick Charles Manning, son of Dr. James Manning and Mrs. Manning of 1227 Germania street, has made the supreme sacrifice, dying as the result of wounds on April 16, was the information that Doctor Manning received this afternoon.

On Sunday morning Doctor Manning was informed that his son had been seriously wounded in the head. He was suffering from a fractured femur, but the family held out hopes that he might recover.

Lieutenant Manning, while attending the St. John schools was always at the head of the class and while attending High School he took every thing before him and especially in Grade Eleven he won every medal, leading in all subjects.

After graduating from the High School he went to Fredericton where he attended the Normal School and in two terms he qualified for a grammar school license, the highest license possible to secure in the province. He then took charge of the grammar school at Fredericton Junction at the age of eighteen. After teaching a year he went to Acadia College, where he completed his arts course just prior to enlistment.

At school and at college he was a chosen leader. He was a young man of high intellect and was always held in high esteem. At the college he was appointed officer in command of the officers' training course which was conducted at the college last year.

He had the honor of being the first of his class to go overseas for overseas service, although several of the students followed his good example. A recruiting officer of the 219th Nova Scotia Battalion was at the college just prior to the closing of the college year, and after he had made his appeal for recruits, Lieutenant Manning, followed by several of his classmates, signed on with the 219th as privates. Lieutenant Manning's ability was soon recognized and he was promoted. He crossed to England and about a month ago was chosen a lieutenant in one of the Highland brigades which crossed to France to take part in the big drive which is on at the present time.

He was very prominent in musical circles and was gifted with an excellent voice. In the local Y. M. C. A. prior to leaving the city he also was an active member and one of the leaders in both the religious and athletic work of the association.

Lieutenant Manning leaves his parents, three brothers, Lieutenant H. H. Manning, now in France, a member of a FORTH ARTHUR regiment, and Laurence and Thomas at home; also one sister, Marjorie, at home.

Major W. A. Cameron.

Major William Archibald Cameron, M.C., son of Mr. and Mrs. K. Cameron, of 88 Mecklenburg street, has been wounded for the third time. This time, however, the wound is only slight. The information that was received is to the effect that he was wounded in the right hand by gunshot and is at present in a hospital in London.

Closely following on the telegram from Ottawa came a cablegram from Major Cameron himself, saying that his wounds were very slight and that he would be around in the course of a few days. Major Cameron has been in France for two years, having gone overseas as a member of the 29th Battalion. Prior to enlistment he was with F. B. McCurdy & Company, Halifax.

Pte. W. A. Steel

Rev. George Steel, D.D., of 183 Main street, received a telegram this morning informing him that his son, Private W. Arthur Steel had been admitted to No. 5 British Red Cross Hospital in Wimereux, suffering from a gunshot wound in the chest.

Private Steel was formerly employed

### The Man In The Street

At twelve cents a loaf, bread is liable to lose its job as the staff of life.

At just what price will bread cease to become a necessity and graduate into the class of luxuries?

ON THE RIVER

David Coy, who purchased the hull and machinery of the steamer Hampstead, which was partially destroyed by fire some months ago, is having the boiler and engines installed in a new hull which he has built in Nova Scotia. When completed the steamer will be placed on the St. John river.

VISITING BOWLER

James H. Wheaton of Amherst, arrived in the city this morning in quest of bowling honors. He is a former St. John boy and is reported as being one of the best candle pin artists in Nova Scotia. While here he is desirous of meeting some of the local stars and in all probability a match will be arranged. He has been engaged for some time in the Kent Bowling Academy in Amherst.

HORSE FOUND DEAD IN DITCH

A horse attached to a wagon was found in a ditch a short distance beyond the Three Mile House early this morning. The horse was dead. The supposition is that the horse went over the steep bank in the darkness and in the fall broke its neck. County Policeman Saunders was informed of the affair this morning and visited the scene. The horse was bay in color. It was attached to a light driving wagon. There was nothing in the outfit to help identify the owner.
