HEARTILY WELCOME SUPREME KNIGHT

St. John K. C's Have Pleasant Visit From J. A. Flaherty of Philadelphia

For the first time in the history of the Knights of Columbus in St. John the local council has had as its guest a supreme officer, and it was the head of the order himself, J. A. Flaherty, supreme knight of the order and secretary of the council, who was here on his visit from Philadelphia.

He was met by the local knights and a large number of the membership took advantage of the occasion to meet him and give him a hearty welcome. On the platform, besides the supreme knight and Grand Knight Maloney, were present Mr. W. M. McMillan of Charlottetown, P.E.I., who is state deputy, Rev. Wm. Duke, Rev. M. P. Howland and Dr. W. P. Broderick, grand knight elect of St. John council.

Mr. Flaherty spoke for nearly an hour and was on the order and its work. The membership, he said, now is 370,000 and he prophesied a steady increase. He impressed his hearers deeply by his forcefulness, eloquence and enthusiasm and held all intensely interested to the very end. It was a grand address.

Mr. McMillan spoke briefly and all the members then were presented to Mr. Flaherty. The supreme knight then employed an auto tour through the city and suburbs and called upon His Lordship Bishop LeBlanc to pay his respects. In the evening Mr. Flaherty and Dr. McMillan with several local knights were the guests of Grand Knight Maloney at a very pleasant dinner in the Union Club. This morning Mr. Flaherty and Dr. McMillan left for Charlottetown, hence to go to P. E. Island. The supreme knight will visit Moncton council on his return on Thursday and will then go to Boston.

WAR NOTES

Negotiations between Greece and the Entente Powers are still in progress, and apparently favorable to Greek participation in the war.

Since August the Germans have sunk Norwegian steamers valued at \$9,000,000. Ten Zeppelins took part in last night's raid over England. One, of the latest type, was destroyed. The others did no serious damage, though bombs destroyed were burned beyond recognition and scattered over a farmer's field in which the machine fell.

The Austrians made heavy counter-attacks yesterday in an attempt to regain ground lost in the new Russian drive on Lemberg. The attack was repulsed, and 1,600 more prisoners taken.

USE THE WANT AD WAY

GOOD THINGS COMING TO THEATRES OF ST. JOHN

SIR GILBERT PARKER'S "THE RIGHT OF WAY" TONIGHT AT THE IMPERIAL

The most successful book the Canadian author, Sir Gilbert Parker, ever wrote is "The Right of Way," and after years of introduction to the public, it is still a "best seller." The Metro Film Corporation, after securing the costly rights to present the story in motion pictures, lavished still further big money in engaging the noted star, William Faversham, to play the leading role. This is the special attraction for Imperial Theatre tonight and tomorrow. It is a marvelous production throughout and will give great pleasure and satisfaction to those who are familiar with "The Right of Way" in printed form and also to those who have never read the book.

The Kendal Weston Players will present an exquisite comedieta entitled "The Honeyeaters" with special stage treatment. As this is the farewell work for Mr. Weston and his talented partners to those who have not already enjoyed their bright little plays, should not miss the last two offerings. Parker's British Gazette and some scenic reels will conclude tonight's programme.

COME TO GEM TONIGHT

Everybody likes a detective story. The Gem has a five reel one for tonight and tomorrow, "The Phantom," in which Frank Keenan and Emil Markey are starred. It's full of surprises and thrills, a great finish. You're bound to like it. The fun will be in the capable hands of Frank Mann, two reels of comedy, "His Bread and Butter."

THE COMING OF THE 165TH

There still is some uncertainty regarding the hour which the troop train bearing the 165th Canadian battalion from Valcartier will arrive in St. John. According to the schedule received here by the railway officials, it was not due until 11 o'clock, but word was received this afternoon that the train had left Moncton at 1:37 and this would enable it to reach St. John by 4:30 or five o'clock. The wife of one of the officers also received word this afternoon by telegram that he would reach the city at 5 o'clock.

The uncertainty will be a handicap to the welcoming committee, but efforts are being made to meet the situation. Flags and bunting decorating the buildings in the principal streets will give evidence of the heartiness of the welcome which will be accorded the soldiers by the citizens.

LITTLE ONES DEAD

Friends of Somerset street, will sympathize with them in the loss of their only daughter, Helen Muriel, who died this morning. The sympathy of friends of Mr. and Mrs. David McQuinn, aged thirteen months, will be extended to them in the loss of their little son, Leo D., aged thirteen months, who died this morning.

His indictment was brought under the law prohibiting interstate transportation of explosives on passenger trains.
