CHILD CRUSHED TO DEATH
 At Smith's Corner on July 20, Ashley
 Hawkins, the four-year-old son of Mr.
 and Mrs. George Fughe, was instantly
 killed. Mr. Fughe was preparing to spray
 potatoes, and had the sprayer with its
 contents on the cart, when it was over-
 turned, crushing the little fellow to
 instant death.

PUBLIC NOTICE

To All Whom It May Concern:
 Notice is hereby given that authority has been granted by order of the Lieutenant-Governor-in-Council of the Province of New Brunswick, to the Common Council of the City of Saint John, to prepare a Town-Planning Scheme, in accordance with the Provisions of the Act of Assembly, 26 George 5, Cap. 12, Intituled "An Act Relating to Town-Planning."

BUSINESS REPORTS

(Bradstreet's.)

Most reports regarding trade, industry, crops and prospects sound highly encouraging, about the only disquieting notes being those heard from storm-swept sections of the southeast, where, naturally, trade has been set back pending rehabilitation. But over the larger part of the country, trade, now large, is increasing and is likely to grow still further, while never before have seasonal influences made for so little recession.

There are fears that numerous lines of textiles and some sections of the clothing, merchants in some sections are becoming concerned about goods arriving at the scheduled time. However, buying for periods beyond the fall months is marked by more or less conservatism, dictated by uncertainty regarding the situation of far-future prices, this attitude being accompanied, nevertheless, by doubts as to whether conservatism is really the better course to follow.

Predictions of an inevitable slump in business are, yet, most measures of economic movements indicate that high-speed momentum is maintained, and just as things seem to be shaping for a set-back, fresh stimulating impulses appear. This is particularly true of foreign demand for all kinds of products. Besides these factors, retail trade in summer fabrics is good, mail order houses are doing more than well, collections are going, and money is in better demand at the banks. The situation in the southeast are not in harmony with those received from other parts of the country, storm damage having held up shipments and injured stocks of merchandise, and hurt crops, especially on lowland sections.

News of Maritime Men In The War

Dr. W. F. Barbour of Fredericton, has been appointed to the Canadian Army Dental Corps, and expects to go overseas shortly. Dr. Barbour's appointment is expected soon. His son, Capt. R. M. Barbour, who left with the 64th Battalion, is now in France.

Summons to Halifax

Capt. W. H. Irvine, Army Medical Corps, who was selected as one of the officers of the new field ambulance unit which is being raised in St. John, left Fredericton for Halifax on Tuesday. Captain Irvine was summoned by headquarters of the 6th Military District, it is understood, in connection with the organization of the new unit.

From Ottawa

Lieut. Edward Haining of the Royal Canadian Engineers is in Fredericton, visiting his mother, Mrs. James Bird. Mr. Haining is stationed at Ottawa, where he is in connection with the wireless telegraph branch of the Engineers. He formerly was with the 82nd Battalion at Calgary, but left it on account of ill health.

Appointed Paymaster

Lieut. Harold Hatheway of Fredericton, who served in France with the Royal Canadian Engineers, has been appointed paymaster of the Canadian cavalry depot at Shorncliffe.

Taking Course at St. John

Company Q. M. Sgt. F. L. Moors and Company Q. M. Sgt. D. A. Munro, of the 26th Battalion, New Brunswick, left Fredericton this morning for St. John where they will spend a week in the office of Lt. Col. A. H. Anderson, ordnance officer of the New Brunswick command, taking a course in connection with their duties. At present Company Q. M. Sgt. Bonnell, Company Q. M. Sgt. Seely and Acting Sergeant Major, Mr. Jackson, are in St. John taking courses. Capt. J. D. Munk, the Quartermaster of the New Brunswick Battalion, is also in St. John taking a course and will later go to the headquarters of the department. It is likely that Capt. Munk and the Quartermaster sergeants will also go to Valcartier for a week or so to be attached to some regiment.

The 36th at the Front

The 36th Battalion, which was stationed in Fredericton last winter, and has been in training in England since the few months, has gone to the front. They left Whitley Camp, England, on July 17. The 36th Battalion was recruited in Cape Breton, most of its members being from Sydney, North Sydney and Glace Bay. Major Walter Crowe, their former commanding officer who raised the battery, was a prominent lawyer in Sydney, and he secured the necessary men for his unit three days after the official orders were received to raise the battery. The 36th Battalion came to Fredericton in October, 1915, and spent the winter, leaving in February. While stationed there a draft was taken from the battery and sent to England, and practically all the members of it have been in France for some months.

The present commanding officer of the 36th battery, which is now a part

THE BAPTIST MINISTERS

(Maritime Baptist.)

We were pleased during the week to receive a visit from Chaplain B. H. Thomas of Dorchester. He reported the Baptist work on the Dorchester field as flourishing under the leadership of Pastor Freda. Brother Thomas continues to render a varied service to the cause at Rockport. Conditions there also are encouraging.

We have received, too late for publication in this issue, a letter from Rev. J. K. West, who last year resigned as pastor at Port Mouton, N. S., that he might spend the winter with his son, Rev. L. W. West, at Brookline, Me., has been induced to remain in the work across the border. He has accepted a call to the pastorate at South Jersey, Me.

Among those who have received recognition for their services in the struggle before they left in June was Capt. Barry W. Hesse, son of Lieut-Col. W. H. Hesse, of Kentville, and a graduate of Acadia, 1909. He was wounded in the right arm and head by shrapnel. He was recommended for the D. S. O., and also for promotion.

Rev. G. F. Bolster, pastor of the West End church, Halifax, has been enjoying a holiday trip to his old home in New Brunswick. He reports Baptist work in Halifax as progressing normally. The city is feeling the beneficial influence of the new prohibition measure, and many who were formerly opposed are now strongly supporting it.

Rev. Harry W. Jackson of Painesville, near Ottawa, will spend his vacation in England, visiting his mother and his wife. Mr. Jackson was ordained at the New Brunswick Association, which met in Gibson in 1909, being then pastor of the Nashua group of churches.

Rev. D. Hutchinson, D. D., pastor of the Main street church, St. John, is spending his vacation at Wickham. Last Sunday the pulpit at Main street was filled by Dr. W. C. Kirtland.

Rev. W. Camp of Campbellton, has been spending a few days in this city, and has been warmly welcomed by many friends. The work at Campbellton is progressing under his leadership. On July 16, three were baptized. During the coming year he will have as his assistant Lieut. R. M. Brown, who will have charge of the work of Mann Settlement.

Fieldlands and other outlying points. Mr. Brown has already been at work for some weeks and his service is being received with much acceptance and is already bearing fruit.

PULP AND PAPER

In connection with the Pulp and Paper Company, Greenfield and Company say: "A significant result of our offering is the large proportion of stock purchased by those engaged in the pulp and paper industry itself. The extraordinary situation which now obtains in the trade is, of course, better known to those engaged in it than to the general public."

"At the present time the pulp and paper market is faced with a shortage supply, due to the vastly increased consumption in the United States and the entrance of England into the Canadian market. The normal price of sulphite pulp is in the vicinity of 440 per ton, and we read in the current issue of the Pulp and Paper Magazine of Canada, that a price of \$65 per ton is being paid at the mill, a record figure, and that the upward tendency of the market cannot be denied."

WILL YOU TAKE TWO AT OUR RISK?

So many customers who suffer from run down nervous condition, with its consequent loss of insomnia, indigestion and general debility are being greatly helped by Zetie—the nerve tonic, that we wish to have every ailing person in this town try this really famous remedy. It is all that a tonic should be and more than any other tonic is. It combines the most precious of health-building substances. Glycetine-Phosphates are the actual element of the human body in most assimilative form. You know the value of Cod Liver Oil and the invigorating effects of tonic wine. In Zetie these are combined into an exceedingly pleasant tonic which in two weeks will work quiet wonders in your health. If at the end of two weeks' honest trial you cannot report real progress toward health we will refund the purchase price. Doesn't this convince you that you should start trying it today? E. Clinton Brown, sole distributing agent.
