An Appreciation

THE following appreciation of The Evening Times-Star Empty Stocking Fund was received this morning from Rev. John V. Young, priest in charge, Mission Church S. John Baptist: 'You certainly are to be heartily congratulated upon

your wonderful work in connection with the Stocking Fund, which brought joy and happiness to thousands of our children in the city. I understand I had the largest consignment sent to me, and in the name of the children and in my own name, I want to thank all who gave towards this fund, and also thank your papers for their wonderful effort. It goes to show the splendid spirit of charity and generosity which exists among our citizens, which we are all so thankful for. About ninety per cent. of the children who received stockings in my parish were extremely poor, so you can imagine what it was to have a nice warm pair of stockings and mitts, to say nothing of what the stockings contained. It did one's heart good to see the joy it gave to the children when they received this gift. Thanking you again and again.
