This is a question which is non-partisan and of the utmost importance, and, if Parliament can transact any public business at all, it should be able to deal with this issue at an early date. If it cannot deal with it, it would seem that it is in no position to do anything useful or to give any excuse for further existence. Some of these western reviewers are urging the Progressives to make common cause with the Liberals and enable the Government to carry on indefinitely. It may be that there will be small groups in the next House, in addition to the two old parties, but the common expectation is that the Progressives in another contest would be still further reduced in numbers, and there is no present reason for believing that the Labor or Independent groups, which

## INSUFFICIENCY.

There is no one beside thee and no one above thee,
Thou standest alone as the nightingale sings!
And my words that would praise thee are impotent things,
For none can express thee though all should approve thee,
I love thee so, dear, that I only can love thee.

Say, what can I do for thee; weary thee, grieve thee?

Lean on thy shoulder, new burdens to add?

Weep my tears over thee, making thee sad?

Oh, hold me not—love me not! let me retrieve thee,

I love thee so, dear, that I only can leave thee.

# In Your Plant

N plants where cleanliness is important there is a very definite place for Goodyear Sanitary Hose.

In packing-houses, abattoirs, dairies, creameries, canneries, ice cream plants, ice-making plants and hotel and restaurant kitchens this smooth, creamy hose is playing an important part in carrying out the modern idea of cleanliness and sanitation.

It looks clean and is clean. It resists the action of animal fats, fish oils, vegetable oils and hot water and its cream-colored cover retains its original appearance to the

end.

It is tough and long-wearing—inside and out.

The inner rubber lining lasts long, while the outer cover—like the covers of all types of Goodyear Hose—is designed especially. Dragging over floors and rubbing against vats, tanks and trucks make no impression on this sturdy cover of enduring rubber joined in a lasting union to the body of the hose.

If you want cleanliness—and economy with it—you want Goodyear Sanitary Hose. Get in touch with the Goodyear Dealer or with the nearest Goodyear Branch.
