Make a Beginning

A great many people fail to save money simply because they put off
making a beginning. They think they must have a substantial amount
before they can open a savings account, and that there are a great many
formalities in connection with opening such an account. This Corpora-
tion accepts as small an amount as ONE DOLLAR and makes the open-
ing of an account a very simple matter indeed. Open an account with
us today and receive interest thereon at FOUR PER CENT PER ANNUM
paid and compounded twice each year.
