

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, JULY 3, 1919

SPORT NEWS OF A DAY; HOME AND ABROAD

BASEBALL. East End League. The opening game of the East End League was played last evening and resulted in a victory for the Alerts over the Roses, 3 to 2. The line up of the teams follows: Alerts: Pitcher, McHugh; Catcher, F. Deshaia; First Base, Stewart; Second Base, T. Elliott; Infield, ...

Sidelights On Sport

Harness racing is certainly enjoying a revival in the maritime provinces. It is doubtful if there was ever so keen interest manifested in racing as during the last few days. The meets in Fredericton and Moncton have broken records for attendance and the races were evidently well worth the money. Local backers of Peter Farren were greatly disappointed when he lost his crown as king of provincial racers. In the pools both Adio Guy and John A. Hal sold at \$100 against \$50 for Peter Farren. The next meeting of the maritime circuit will take place in Chatham on July 8 and 9. Adio Guy is going to Northampton, Mass., while other stables will be shipped to Presque Isle and Fort Fairfield.

heavyweight championship bout is to be decided in twelve rounds on points is in itself a joke. Bill James, who was instrumental in clinching the championship of the National League for the Braves in 1914, has been sold outright to the Oakland Club of the Pacific Coast League. The Brooklyn club has sold Lawrence Cheney, a veteran spit-ball artist to the Boston Nationals. Shawkey has nine straight victories to his credit this year, and has equalled the American League record for the past four years. The trip of the St. John ball players around the circuit of the New Brunswick and Maine League has somewhat upset the St. John League schedule. However, trips of this kind only come once a year and the boys will soon be back home. They have two victories to their credit and here's hoping that they return without defeat.

GAMES TONIGHT

St. John League—Carleton vs. Fairville. South End League—Franklin vs. Young Braves. East End League—Alerts vs. Rosewoods. St. Peter's League—Shamrocks vs. Thistles.

American League Standing.

International League.

Table with columns: Team, Won, Lost, P.C. Rows include Jersey City, Buffalo, Rochester, Baltimore, Reading.

Barry Holding Out.

Meriden, Conn., June 30—Jack Barry, who was traded to the Philadelphia Athletics by the Boston Red Sox last Thursday, has not yet reported. He is to meet Connie Mack in Boston on July 4, and the result of the meeting will decide whether he will play in Philadelphia this year. A matter of salary is believed to be the reason.

Has Hard Luck.

Shortstop Hollicher of the Cubs, who has been out of the game for some time with a split thumb, was ready to play on Saturday, but during the batting practice he was hit on the mouth by a batted ball and rendered unconscious. He was carried off the field, and it was necessary to put one stitch in his lip.

Chief Meyers Resigns.

New Haven, June 30—John ("Chief") Meyers, former New York, Brooklyn and Boston National catcher, has resigned as manager of the New Haven club of the Eastern League, which post he has held since the opening of the present season.

New World Series Plan.

New York, July 2.—The club owners and players of the two major leagues are considering a new plan for the division of the World Series receipts in the fall, and it is expected that the National Commission will adopt the new plan soon. Last year's plan of permitting the first four clubs of each league to share

in the receipts was only an experiment, and altogether favored by several National League club owners, it is likely to be abandoned.

It was the idea of John K. Tener, president of the National League, to give this plan a one year's trial. As it did not prove satisfactory the leagues will now try a new plan.

The American League has gone on record as favoring a return to the old conditions governing the series, that the entire sum allowed for the players go to the members of the two clubs competing in the classic. The National League favors a curtailment of the share for the members of the competing clubs, so the result probably will be a compromise. The plan which is likely to meet the approval of the club owners and players of both leagues, provides that the players pool consisting of about 60 per cent of the receipts of the first four games, will be split so that 75 per cent of this pool shall go to the players of the two contesting clubs, while the remaining 25 per cent will go to the members of the clubs finishing in second and third places in the pennant races in their respective leagues.

As the receipts of the world's series this fall promise to be larger than ever before in the history of baseball, the officials of both leagues favor a curtailment of the amount which should go to the members of the contesting clubs. The price of the tickets was last fall too high to meet conditions, but the National Commission has already decided to re-establish the scale. Under the new plan the officials figure that the members of the winning club will receive close to \$2,000 each, while the members of the losing club will get in the neighborhood of \$1,000.

AQUATIC.

Canadian Eight Drawn Together.

London, June 30.—The drawings for the Henley regatta to be rowed on the Thames on July 4 and 5 are announced. The Canadian Army eight-oared crew was drawn to row the Overseas Military Forces from Canada. The American Army crew drew that of the French Army crew. The winners of the regatta will meet in the second round. The eight oared race is for the King's Cup. The Leander Cup is the trophy of the former oared race. The second American crew drew the Leander Club's service crew. The first American crew drew that of the 1st Battalion of the Coldstream Guards. The winner of the first of the races will row the winner of the race between the Cambridge service crew and the Canadian Army crew. The winner of the second race will row the winner of that between the New Zealand Army and the Australian Army crew.

Established New Records.

Two new records were established at the meet in Fredericton yesterday. In the free-for-all Adio Guy went the first mile in 2:11.2 and his second in 2:12, both were better than the previous record. A new stallion record was also established by Esposer, a Fredericton horse, which went a mile in 2:14.4, lowering the record by a second. In the 2.16 class Tommy Cotter, owned by Len Dryden, won first, taking three out of five heats. In the feature event the free-for-all, Adio Guy won in straight heats, with Peter Farren second. The latter broke several times. Tommy Cotter's best time was 2:16.1-4.

Montreal Horses Win.

Montreal horses captured both classes in the maritime circuit races here and in Moncton yesterday. In the 2.25 class for a purse of \$500, Singer, owned by Michael and Fuller Morand, won in straight heats; best time 2:19.4. The free-for-all was won by Fern Hal, owned by F. Michael of Montreal. This was for a stake of \$1,000, the largest ever offered on a provincial track, and went in straight heats; best time 2:24.4. The judges imposed a fine of \$100 on B. F. O'Neil of Halifax for entering Adio Guy and failing to put in an appearance or giving notice of withdrawal. Fern Hal was sold after the race to Dr. D. H. McAllister of Sussex for a sum said to be in the vicinity of \$3,000.

Races at Summerside.

More than 3,000 people witnessed races at Summerside yesterday. Lacopa won the 2.19 class in straight heats; best time 2:21, with Corwin Hal second. Colorado L. won the 2.25 class, three out of five heats; best time 2:24.4. In the three-minute class Emma Aubrey E. won in straight heats; best time 1:11.4 for a half mile.

Five Leading Batters In the Major League

NATION WET AGAIN POSSIBLY BY AUGUST OR SEPTEMBER. Washington, July 3.—Army officers believe that it will be possible for the president to declare that the demobilization of the army is terminated by the middle of August, but the first of September is the more conservative guess. Approximately 800,000 men must be discharged, and nearly 500,000 of these are in France. It will require at least six weeks to complete the transportation of emergency men, but demobilization will follow quickly the arrival of the transports in American ports. The president need not mention prohibition in his demobilization proclamation; the War-time Prohibition Act dies immediately upon its issuance, and distilleries, breweries, wineries and saloons can open in "wet" territory and run full blast until the prohibition amendment to the constitution goes into effect in January. A protest against legislation for a board of commerce on the ground that the public has not had an opportunity to study the provisions is voiced by the council of the Montreal board of trade.

Orangeade In Your Own Home Ready When You Want It An Announcement of Interest to Every Member of a Thirsty Family. NOW you can have the drink you've always wanted, the drink that quenches any thirst, the drink you've never before been able to get at home. Orangeade with all the zest and tang and health-giving qualities of real fresh fruit—served in your own home, in your own clean glasses. A Luscious Fruity Drink—Always Ready to Serve. FAM-LY-ADE—note the name—is a new beverage, but Nature knows it to be as old as oranges. And there's no flavor in the world so downright good as oranges for a genuine thirst-quencher. More than that, there's never been a drink so conveniently obliging as FAM-LY-ADE. It's always ready when you want it. For hot, tired, thirsty children home-made FAM-LY-ADE is pure, wholesome and satisfying—a delicious treat. No need to keep your guests waiting while you bother with refreshments—FAM-LY-ADE is ready in a jiffy—and welcome. At about a cent a glass. One Vial—32 Glasses. FAM-LY-ADE comes to you in a tube of concentrated essence as rich as 16 oranges—enough for 32 glasses. It's the undiluted goodness of Nature. Your own clean sugar and pure table water are the only other ingredients you need. Quickly made—simple directions on each package. And no beverage in the world is so healthful, so satisfying, so delicious as this zestful FAM-LY-ADE. The hot thirsty weather is here. Ask for FAM-LY-ADE to-day at your own druggist's or grocer's. Give your family this treat every day—it's surprisingly inexpensive. On 19 35c. a tube—about one cent a glass. Canadian Distributors: W. G. PATRICK & CO., Limited TORONTO MONTREAL WINNIPEG
