

Sidelights On Sport

James McNulty, energetic local baseball promoter, is now seeking honors in Cape Breton. There is no doubt that some of the teams there will accept his challenge. St. John is certainly getting back on the baseball map.

The motor boat races at Indian Head last evening attracted a large number of people. The feature event was the speed race, but this proved somewhat of a disappointment as the Anzac, reputed to be the fastest speed boat in the maritime provinces, developed engine trouble and had to drop out.

Local followers of sport will be pleased to learn that Amherst is to enter a team in the athletic meet to be held in the near future under the auspices of the Y. M. C. I.

The game in the St. John League last evening proved a thriller at several

stages, the rally staged by the Fairville team in the last inning being especially exciting.

After winning sixteen straight games, the Toronto team in the International League was stopped yesterday by Seibold, formerly of the Athletics.

Chicago is steadily gaining on Cleveland and New York and unless they meet with some accident they look like a good bet for the championship. The Giants still have a lead on Cincinnati and are playing consistently.

The game between the Times baseball nine and the Customs House team will be staged on next Wednesday evening.

Fans had better note the date and make no engagements out of town. Keep rain coats and umbrellas handy, for there seems to be a jinx on some one of the teams.

Braves Victor in South End.

The Braves are still going strong in the South End League, defeating the Alerts last evening by a score of 9-7.

The game was a fast seven innings and was marked by good pitching by Moore for the Braves and was backed up by good work of the team mates. Although the Braves are the youngest team in the league they are putting up games that the other teams find it hard to stand up against. Tonight the Franklins and

Pirates will play. The line-up was as follows:

Braves: Catcher, Alerts; Goalie, Smith; Moore, Pitcher; O'Neill, First Base; McGivern, Second Base; Jones, Third Base; Harding, Short Stop; Wilson, Left Field; Fraser, Right Field; Mooney, Center Field; Lacey, Waring; Nixon, Doyle.

Score by innings: 3 0 0 3 1 0 0—7 Alerts; 1 0 3 0 3 1 1—9 Braves.

The Braves challenge the Martellos (Carlton) to a game of baseball to be played on the South End diamond Saturday afternoon.

Veterans Win.

The Veterans of Hampton and the "Category E" men again met last evening in an exciting game of baseball which resulted in a victory for the soldiers, 5-3. The soldiers were out to win after their crushing defeat of last Monday, and the attempts of "E" men seemed to have no effect on their rushing onset and they went over the "top" carrying everything before them. Even the umpire did not feel safe. Trimble, who has been overcast with a siege battery, was placed in the box for the soldiers, no doubt because he was more efficient in range finding, yet despite his months of training in that line he seemed to have difficulty in finding the white slash over which his "whit-bangs" had to cross before they would have any effect on the "E" men. Freeze, who was on the mound for the opposing side, likewise had a faulty range, yet he pitched an excellent game. Trimble and Brown formed the battery for the winners, while Freeze and Sharp were for the losers. If satisfactory arrangements can be made with the Fair Vale nine, the Hampton team would like to meet them on Monday evening on the Fair Vale diamond.

East End League.

In the East End League last evening the Roses defeated the Alerts, 5 to 3. A large number of fans witnessed the game. Appleby and Stewart formed the battery for the winners and Stafford and Lenthall for the losers.

North End League.

The Curlews defeated the Wolves in the North End League fixture last evening, 9 to 4. D. Johnston and H. Johnston formed the battery for the Wolves, and E. McCann and Doherty for the winners.

Played Tie Game.

The Thistles of St. Peter's league and the Milford Creams played a seven inning tie game last evening on St. Peter's grounds, 3 to 3. O'Connor and McCreeley formed the battery for the Thistles and Corbett and Mullaney for the Milford Creams.

Minor "World Series."

The Western League is to have a baseball "world series" of its own, according to information from Chicago. Charles Webb Murphy, former President of the Chicago National League Baseball Club, has donated a trophy to the Western League officials for a series of games next fall between the teams
