## DEMobilIZATION OF THE ARMY IN CANADA

Ottawa, Nov. 12.—Plans for the demobilization of Canada's army are under way, and a committee for dealing with the problems has been formed in the militia department. Lieutenant-Colonel Arthur Sullivan of Winnipeg, has been appointed secretary. Colonel Sullivan, a lawyer in peace times, saw service at

the front, and when the government some months ago laid its preliminary plans for demobilization, he was on the committee overseas which attended to it. As secretary of the committee here, Colonel Sullivan will be able to utilize the experience gained overseas in demobilization. His office will naturally act as a link between the militia department and the department of soldiers' civil re-establishment, of which Sir James Loughheed is minister. The demobilization of militia and defence makes the following announcement: The general scheme of demobilization

has been the subject of exhaustive study for some months past, and definite conclusions have been reached. In the meantime discussion of the subject is premature in view of the fact that the country is still at war, and Canadian troops are at this moment advancing into enemy territory. Demobilization of troops whether in Canada or overseas cannot be undertaken until specific information warranting such action has been received from the overseas minister.

# Keep Your Money Earning Interest

If you have money coming in during the next twelve months,

—if you have promissory notes coming due, a mortgage maturing, an estate to be settled, dividends or interest accruing to you,

—money from any source which is reasonably certain;

—You can buy Victory bonds in anticipation by arranging with any chartered bank to carry you until your money comes in.

—And it won't cost you a cent to do it,

—because the bank will lend you the money at the same rate of interest which the bonds will be earning.

It means that from the moment you get your money and repay the bank, your money begins to earn interest at 5½ per cent —your money is not idle for a minute.

Canada's Chartered Banks have offered to assist investors to buy Victory Bonds with money they expect to get during the year.

This is your opportunity to help your country and to keep your money invested in an absolute safe security bearing good interest.

Why not see the banker about it to-day!
