The latest that comes to our notice is what is supposed to be a member's ticket, under the title of United States Union Club company. Almy Pleads Net Guilty.

At Hanover N. H., yesterday morning Judge Cobb, accompanied by Attorney General Ryrnard, Solicitor Mitchell and other citizens, repaired to Almy's room. Papers were read to Almy in form as he lay in a cot. When asked what plea he would make he said "I know not what to do." Afterwards he pleaded not guilty and his plea was thus recorded. He was committed to jail without bail.
