

Fresh Coffee

Is delicious for breakfast. Getting it fresh means fine flavor. We roast our coffee every week, keep it in air tight tins, and grind it as you wish it.

There's one coffee—our "American blend"—at 35c a pound, that has particular merit. It is a full rich flavored coffee with lots of strength. We're sure you will like it if you once try it.

BAKER'S COCOA—Rich and nourishing.
WEBB'S COCOA—Good and cheap.
OWAY'S COCOA—Strong and good flavor.

Pelett's Bazaar

TO WHOM IT MAY CONCERN.

This certifies that Mr. A. E. Pelett was in our employment for a considerable time as salesman and piano tuner, and we found his services very satisfactory. He left of his own accord, as we understood, to start in business for himself as a piano tuner, and we were very sorry to lose him. We have much pleasure in recommending him to all patrons of the Williams Piano and others as a competent piano tuner whose work has invariably given satisfaction. We trust those who have purchased pianos from us will patronize Mr. Pelett. We take this opportunity of cautioning our patrons and the public in general against traveling tuncers representing themselves as acting by our authority. All such persons should be discredited unless they can produce written evidence of authorization signed by our General Manager.

Hoping you will be good enough to have Mr. Pelett visit you, patrons who remain, with best respects.

Yours very truly,
THE R. S. WILLIAMS & SONS CO. (Limited).

WITH THE LODGES.

Gossip About the Various Secret Societies.

What is Going on in Court, Council and Lodge.

MACOABEES.

At the meeting of the Maccoabees next Tuesday, four Candidates are to be initiated.

MASONIC.

Partholon Lodge meet next Wednesday evening, November 2nd, for the purpose of conferring degrees and balloting for candidates.

C. M. B. A.

The meeting held last Tuesday was one of purely a routine nature, but the members are requested to attend the nomination of officers to be held next month.

A. O. U. W.

One of the organizers is expected to be here almost any day to get some new blood into the local lodge before the new year. The lodge received an appeal from Union Lodge in Merritt, asking us to assist them in replacing their goods that were totally destroyed in the recent cyclone. It was resolved to donate five dollars, and the secretary was instructed to forward the same.

I. O. F.

Court McGregor, No. 6, I. O. F., met last Thursday evening in the Oddfellows' Hall, with slim attendance. One proposition was received. There are more to follow. Our Worthy Chief Ranger has offered two prizes for the member bringing in the most candidates by the first of January. Bro. P. W. McAnay has been the most successful one as yet. Brothers, hurry up and get in some new members, as the court will be closed in the near future.

COURT CHATHAM, No. 3488, will meet next Thursday evening. High Chief Ranger W. R. Hickey is expected to be present.

CANADIAN FORESTERS.

The regular fortnightly meeting of Court "Kont", No. 304, was held last Wednesday.

The secretary reported having received a letter from E. Gustung, the Superintendent of organization, saying that he would be in Chatham between the 7th and 11th of November. The C. O. F. Court in the city will give him a joint reception.

The members of Court Chatham No. 6, are expected to turn out in full force next meeting, Wednesday, Nov. 2nd. We are wishing to arrange the union meetings which were so successfully carried on last winter, and add very materially to our numbers. Let every member make this meeting a date for next week.

A. O. F.

Court Hope had a well attended meeting on Wednesday evening, A. E. Leffert, C. R. in the chair. Our sick committee reported Bro. Frank Schram, who underwent an operation at the hospital a short time ago, almost recovered. A good deal of enthusiasm is being displayed by the junior degree team, organized by Bro. Wm. Coupland, and judging by the way they

are getting down to work we expect great things from them in the near future. The committee appointed to re-organize the juvenile branch are hard at work. Early in November the anniversary of the court will take place. Invitations will be sent to all courts in the district to be present.

I. O. O. F.

Western City Lodge will meet next Monday evening, when general business will be transacted and degrees conferred. All members are requested to be present.

Tuesday evening Chatham Lodge will meet.

There is one candidate for initiation and two degrees to be conferred. The lodge will grant \$25 towards the Eucampment's expenses in connection with entering the competition at the Sovereign Grand Lodge in Detroit next year.

Chatham Eucampment, No. 10, will meet next Thursday in the lodge room.

All members of the degree staff are especially requested to be present as work will at once commence on preparation for the competitive drill in Detroit.

CATHOLIC FORESTERS.

Court St. Joseph, No. 241, held their regular semi-monthly meeting last night. A large number were present. Resolutions of condolence were passed and forwarded to Bro. John Liddy on the death of his mother and to Bro. M. O'Mara whose wife and child passed away a short time ago. After the meeting was adjourned the evening was made a social one with a program of vocal selections from Bros. Gierber, McCarl, P. Blonde and several others. After the program refreshments were served. The court is indebted to Mr. Tschirhart for the excellent instrumental music provided by him.

SCNS OF ENGLAND.

Thames Lodge, No. 101, Sons of England Benevolent Society, held their usual weekly meeting last Friday evening. The court is indebted to Mr. Tschirhart for the excellent instrumental music provided by him.

OUTING FOR NOVEMBER.

Outing for November is an all alive number, wide in its scope and timely in its subjects. POPULAR READING.

We have received from The Poole Printing Company, Limited, Toronto, Ontario, a copy of "His Brother's Keeper," by Charles M. Sheldon, the well known author of "In His Steps." This is not only a delightful story, told in an interesting manner, but full of helpfulness. One of the greatest problems of the day is ably dealt with. The scenes in the mining region are based upon events which occurred during the great strike among the iron miners in the summer of 1926, and which were witnessed by the author. Everyone should read it. The Poole Printing Company, Limited, Toronto, have already published seven of Sheldon's books, and every one is having a very large sale. The

Stomach Trouble

Stomach trouble is the common name applied to a derangement of the system which is keenly felt but vaguely understood. It may mean inability to retain food or to digest it. It may mean nausea, pain after eating, fullness, inordinate craving for food, or entire lack of appetite. Whatever it means, there's trouble, and it's with the stomach. If you have stomach trouble, you will be interested in this letter from a man who had it and was cured by

Ayer's Sarsaparilla

"For nine years I suffered from stomach trouble. I tried the aid of the best doctors of Philadelphia and Pittsburgh, and spent large sums of money, all in vain. One day while waiting a train in Ballast, O., I picked up a paper with a notice of Ayer's Sarsaparilla. I got one bottle to try it, and did me so much good that I purchased five more bottles. I took four of them and gained in flesh, my appetite improved, and I can eat anything. My stomach is all right, thanks to the use of Ayer's Sarsaparilla."—CALVIN M. STEVENS, Uniontown, Pa.
