Chewing Tobacco Rich and satisfying. The big black plug.

St. Raphaels, Ont. For over twenty years I suffered from Chronic Constipation of the bowels, and I could get no medicine to cure me. I tried doctors and every known purgative, or laxative, medicine known but I was no better. Sometimes, if I did not take medicine, I would go four or five days, without any action of the bowels. During all this time I was weak and suffered from Indigestion constantly.

About a year ago a friend advised me to try "Fruit-a-tives" as they had helped her. I began taking "Fruit-a-tives" and from the outset I began to feel better, and inside of a month the pains were almost gone and the Constipation relieved. In two months I was perfectly well again, no pains, no constipation, and my complexion had lost all that sallow appearance. (Sgd) MARY A. MCDONELL.

"Fruit-a-tives" \_or Fruit Liver Tablets are the only remedy known to science that actually cure Constipation. They do this by making the liver healthy and active—thus causing more bile to flow into the bowels. 152

Mr. Oliver argued that the results

of the negotiations made between the Dominion government'and the government of Japan had received the en-dorsation of the British press and the Canadian press, irrespective of party.
It was not a statement of fact that the legislation passed by the province Dominion government. The act passed last session was not disallowed by the Dominion nor was the Natal Act pass-
