HALF A MILLION ATTEND PARADE

> MONSTER SUFFRAGETTE **GATHERING IN LONDON**

Climax of Year's Movement for Women's Right to Vote.

London, June 22 .- Favored by beautiful weather and again displaying un-expected genius for organization, the Jack, an Englishman, was injured. suffragettes' demonstration in Hyde park yesterday was an unparalelled success. Encouraged by previous successes, suffragettes planned the demon stration as a climax of the year's fight for women's suffrage. It is hardly too much to say that never before was such B demonstration seen in London.
Fully half a million people assembled in and around Hyde park as ac-

tive or passive participants in the great meeting, while for two hours in the middle of the day the whole centre of the city was in a ferment. Varlous processions appeared, each about a mile long, and the streets through which they passed were densely crowd-

tions had literally to fight to their

Similar scenes were enacted inscribed "The water wagon for ours," around Mrs. Martel's platform, and owing to the general noisy interrup- and Schnectady counties appeared on tions few of the speakers were able to get a hearing.

## TRAIN IS STALLED BY CATERPILLAR BATTALIONS

Pests by the Million Are Shovelled Away to Clear Track.

St. John, N. B., June 22.-Caterpillar are creating havoc in some sections of the province. A regular army of them it is reported from York county, between Tracy and Cork station, on the line between Frederick and McAdam, on Thursday evening, started to cross the tracks and a heavy freight train that came along and rushed in amongst them was soon stalled. Three times in a distance not greater than a mile the

train was stopped by the pests. The train crew were forced to use shovels to clear the tracks. They report that there were millions of caterpillars, and that they had eaten almost very green thing in sight and wrought particular havoc among the trees. Over an hour was spent in getting the train over the spot shovelling the caterpil lars off the line and sanding the rails.
