CHATHAM, March 6.-The concluding ceremony in connection with our returned South African heroes was held here last night. The Masonic hall was literally crowded by an enthusiastic assembly, who yied with one another in their efforts to do honor to our soldiers. Mayor Loggie made the introductory speech, during the delivery of which the members of the contingent filed in and took their places at the front of the stage, their and prolonged cheering. Immediately behind the boys were seated some off ers of the 73rd Regiment, in uni-orm, whilst the remainder of the lage was occupied by the mayor and aldermen from Newcastle, and alder-men and clergymen of Chatham and the Citizens' band.

Mayor Loggie called upon the Rev. Whilst our boys had all the necess sary courage in facing the Boer hordes of South Africa, they were apparently unable to face the more peaceful proposition of a gathering of enthusiastic admirers, so they dele-gated Major Murray to reply for them gated Major Murray to reply for them, and it is needless to say the gallant major did the honors as asily and gracefully as if he were dispensing the proverbial hospitality of the regiment at Camp Sussex.

His worship then called upon the audience to sing Praise God from Whom All Blessings Flow, which was rendered by the audience standing, with band accompaniment.

Mayor Morrison of Newcastle then addressed the audience in one of his graceful speeches, picturing the procedure incident to the enrolment, departure and arrival of our men in

LONDON, March 5.-In the house commons today, War Secretary Broderick was asked if he had infor-mation to the effect that Gen. Botha had intimated to Gen.
