

Notre Fête Nationale

Très rapidement elle s'en vient notre fête nationale. Trois semaines à peine; deux réunions encore des succursales de la Société l'Assomption, et nous y serons. Comment la célébrerons-nous cette année?

Il nous est impossible, étant donné l'éloignement des notes, de songer à une assemblée annuelle qui réunirait des délégués de toute l'Acadie. Les dépenses seraient lourdes, et, les fêtes se répétant, les délégués de moins en moins nombreux, de sorte que nous aurions à la fin du compte d'assez maigres résultats. N'avons-nous pas d'ailleurs nos "conventions nationales" lesquelles, répétées à plusieurs années de distance ont donné d'excellents résultats. Il est vrai que l'on ne nous les donne pas toujours à date fixe, et que la Société Nationale l'Assomption, chargée de ce soin, sommeille parfois... un peu comme le vieil Homère. L'année prochaine peut-être?

Toujours est-il que la chose ne paraît guère probable cette année. Il existe par contre au pays un courant d'idées fort heureux, et qui prend force de jour en jour. L'idée justement en est née de cette difficulté de se réunir tous en un seul endroit. Alors on s'est dit: pourquoi ne pas se réunir par groupe, par comté par exemple et pour ne pas faire de jaloux, pourquoi ne pas célébrer dans chaque paroisse à tour de rôle? Cette année à Campbellton, l'année prochaine à Dalhousie — cette fois à Bathurst, la fois suivante au Petit Rocher. Et l'idée est en marche; on célèbre cette année au Barachois et à Néguaac. Et elle fera son chemin, croyons-nous, parce qu'elle est très simple, qu'elle n'implique pas de dépenses trop lourdes pour nos gens; qu'elle fait espérer à chaque paroisse de quelq'importance l'honneur d'héberger à une date plus ou moins éloignée les représentants de tout le comté. Elle va faire son chemin surtout, parce que le clergé verra là dedans un très bon instrument de propagande nationale, et ne manquera pas de l'appuyer de toutes ses forces.

Lorsqu'une organisation stable aura recueilli ce courant d'idées nous aurons fait un progrès considérable. Car n'allons pas croire que la célébration de notre fête nationale est une affaire de formalité et qu'il suffit en ce jour de hisser un drapeau et d'applaudir à de beaux discours. Ce n'est pas cela. Notre fête doit être un jour de recueillement, j'oserais dire une retraite nationale. Nous devons nous demander en ce jour-là ce que nous sommes, et ce qui nous a fait tels. Nous devons constater que nous formons aux provinces Maritimes, un groupe à part, je ne dis pas meilleur, mais un groupe à part. Nous n'avons pas de la vie la même conception que nos voisins. Nous ne croyons pas que le plus noble emploi que l'homme puisse faire des facultés dont il est doué, soit d'accumuler des millions et de payer des villes. C'est dire que nous ne ferons pas de l'éducation un simple instrument de progrès matériel mais avant tout un instrument de progrès moral. Donc à nous, à nos pêcheurs et à nos cultivateurs, à nos riches et à nos pauvres, on ne fera pas accepter l'idée de l'école athée.

Nous croyons aussi que c'est le privilège de Dieu de distribuer comme il l'entend la fortune et la souffrance. Et à nous, tous ces pêcheurs de révolte et de socialisme ne disent rien.

Et ces idées saines, ces principes d'ordre social, puisés à la doctrine de l'Eglise, la langue française est l'instrument délicat, l'instrument de précision admirable qui nous les a transmis intacts. Elle a donc, elle aussi, contribué à nous faire ce que nous sommes.

Au jour de notre fête nationale il est bon que nous pensions à tou-

RETOUR D'AGE

Depuis deux ans le retour de l'âge s'annonçait. J'avais de fréquents maux de tête, des étourdissements; ma digestion allait mal et mon estomac était tellement rempli de gaz que j'avais peine à respirer. J'étais nerveuse; la faiblesse me gagnait et j'étais devenue maigre et pâle. Aucun des remèdes jusque là employés ne m'avaient soulagée. J'ai pris des Pilules Rouges qui m'ont immédiatement fortifiée, m'ont guérie et remise en aussi bonne santé que jamais. Madame Mathilde Chénier, Vaudreuil, P. Q.

INCAPABLE DE TRAVAILLER

J'avais travaillé bien fort et je m'étais ainsi affaibli. J'étais découragée de me voir ainsi, car je n'étais pas riche et ne pouvais me faire traiter par les médecins. En lisant dans les journaux les guérisons merveilleuses opérées par les Pilules Rouges, je décidai d'employer ce remède qui me fit du bien tout de suite et me donna les forces dont j'avais besoin. Je veux en prendre temps en temps pour que le même abatement ne me revienne plus. Madame Rosanna Trudeau, 30 King, Central Falls, R. I.

ETOURDISSEMENTS

Engourdissements
Maux de tête

J'avais dû alors que mes enfants étaient jeunes, passer beaucoup de nuits sans dormir, beaucoup travailler et essayer de graves maladies. Aussi ma santé avait été affaiblie et quand arriva le retour de l'âge je n'avais plus de force. Des douleurs dans les jambes m'incommodaient beaucoup ainsi que des engourdissements, des bouffées de chaleur, des étourdissements et des maux de tête. J'ai pris des Pilules Rouges qui m'ont fait un si grand bien qu'au bout de quelques mois j'étais toute changée et que je me croyais devenue jeune. Mme Alexis Vermette, 3 rue Laurzon, St-Romuald, P. Q.

Mauvaise digestion MAUX DE TETE FAIBLESSE

Après avoir supporté les troubles et les fatigues que nécessite une famille de dix enfants, je n'avais plus de santé. Mon estomac était tout délabré; ma digestion était mauvaise et je souffrais de maux de tête. De plus, j'avais des douleurs internes qui me retenaient au lit bien souvent. Après avoir essayé en vain plusieurs remèdes, je me suis décidée de suivre les conseils de plusieurs personnes qui me recommandaient les Pilules Rouges. Au bout de quelques semaines de traitement je me sentais plus forte; les douleurs ont cessé ensuite et la santé m'est revenue. Madame Calixte Goulet, 95 rue du Pont, Hull, P. Q.

FAIBLE, PALE ET CHEFFIVE

Une grave opération m'avait enlevée mes forces et mon énergie et laissé des maux de dos, de tête, de reins, de jambes. La moindre occupation me paraissait une montagne. J'étais devenue très pâle et très chétive. Les Pilules Rouges m'ont rétablie et m'ont rendue si heureuse que je me fais un devoir de les recommander aux femmes faibles et souffrantes.—Mme Alfred Therrien, 31 rue St-Dominique, Bienville, Québec.

RELEVAILLES DIFFICILES

Une récente maternité m'avait laissée dans une si grande faiblesse que mes amies me conseillèrent les Pilules Rouges comme le remède le plus propre à hâter mon rétablissement. Je n'en avais pris que quelques boîtes que déjà mes forces commencent à revenir et peu de temps après j'étais guérie tout à fait. Mme Etienne Campagna, 461 rue Rimmon, Manchester-ouest, N. H.
