

FACE WAS LITERALLY COVERED WITH PIMPLES.

Four Different Doctors Did Her No Good.

Two Bottles of BURDOCK BLOOD BITTERS Cured Her.

Bad blood is directly the cause of the face breaking out in pimples, and it is impossible to eradicate them unless you put your blood into good shape.

Burdock Blood Bitters is compounded from roots, herbs, barks and berries, and is without a doubt the best remedy procurable for the purpose of driving all the blood impurities out of the system.

Mr. Geo. R. Miller, Clavering, Ont., writes: "Last fall I was very much troubled with pimples. My face was literally covered with them. I went to four different doctors, but they could do me no good. One day a friend advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly all disappeared, and by the time I had taken all the second one the pimples had disappeared completely. Thanks to Burdock Blood Bitters. I would advise anybody who is troubled with any blood trouble to use Burdock Blood Bitters."

An Important Purchase—

New Sub-Division to go on Market Today—Joseph Weizel to Build.

In order to accommodate his business Joseph Weizel, who owns the wooden building he now occupies at 233 Union street, and erect a three story brick building, fitted with all modern improvements. The new structure will be 90 feet in depth. The plans for the building were prepared by P. Neil Brodie and the construction work will be done by B. Mooney and Sons. The building is to be ready for occupancy by Oct. 1. While the new building is in process of construction Mr. Weizel will carry on his business in the new building on Union street recently built for Bishop Casey.

Allison and Thomas will place their new sub-division on the West Side, known as Carleton Place, on the market today. They have completed arrangements with the city to provide a water service, and have also made arrangements with the highway board of Lancaster to open the streets through the property. As soon as the streets are laid out, the firm will construct concrete sidewalks and curbs, and provide all needed improvements.

D. F. Pidgeon, manager of the Eastern Terminal Realty Company, who is away on business, is expected back next week.

The largest and most important property deal yet made in St. John, was concluded Thursday afternoon, when Thomas Nagle, representing a syndicate of outside interests, became the owner of the Benbow Ferguson properties on Dock street. The purchase comprises 10 less than five brick buildings and warehouses, with a frontage of 22½ feet on the eastern side of Dock street, and extending back to the properties of Hon. Wm. Pugsley on Chipman Hill. The buildings on the property are all under lease, the tenants being R. Sullivan and Co., wholesale wine and spirit merchants; John Daley, barber; Massey-Harris & Co., Barry Supply Co., D. Boyaner, optical; National Clothing Company, Auer Light Company, Barrett and Smith, Mrs. J. Marcus, the Williams Sewing Machine Co., H. A. Pierce, barber, J. Benson Mahoney, druggist, Wm. Tait, watchmaker, and Mrs. A. Simpson, groceries. The property was owned by Mrs. Annie M. Ferguson, now resident in Chicago, widow of Benbow Ferguson, who at one time ran a large grocery establishment on Dock street. It was sold for her by her brother, F. H. McKell and rumor says the price paid by Mr. Nagle and those associated with him was \$75,000. The city valued the property for assessment purposes at \$40,000.

A SUCCESSFUL FREE LECTURE LAST NIGHT

William McIntosh Delivered an Interesting Travel Talk in Women's Canadian Club Free Lecture Course.

In the presence of a large and appreciative audience, William McIntosh last evening delivered the closing lecture of the free education series inaugurated by the Women's Canadian Club. The hall of Centennial school was well filled, the parents of the pupils, being larger than at the preceding lectures.

Mrs. G. Kuhring, convenor of the educational committee, presided, and in a short address expressed the gratification of the club for the large audience, and introduced the speaker of the evening, Mr. McIntosh in his interesting lecture dealt with New Brunswick, giving graphic word pictures of the many beauty spots which the province offers, as well as pointing out the great advantages and possibilities New Brunswick contains for those who are sensible of the natural treasures it affords. A number of interesting views, illustrating the lecture were shown on the screen.

Before opening the evening's entertainment "My Own Canadian Home" was sung by all present.

At the close of the lecture a vote of thanks was tendered the speaker, and another to the ladies who were instrumental in arranging the course and making it a success. Both the votes of thanks were moved and seconded by boys and girls. In the vote to the ladies was included the wish that the ladies will provide another series after the re-opening of the schools.

The Women's Canadian Club was represented at the lecture by Mrs. E. A. Smith, president; Miss McDivern, Mrs. Kuhring, Mrs. Frink and Mrs. G. U. Hay. The educational committee of the club are to be commended for the success of the course of lectures.

Graduating Recitals at Mount Allison Attract Favorable Comment—Excellent Talent Secured to Take Part.

Sackville, May 9.—The graduating recitals given on Tuesday and Wednesday evenings of this week in Fawcett Memorial Hall, Sackville, were of exceptional interest and merit.

The Misses Mildred Walker, pianist, of Fredericton, N. B., and Mildred Crosby, vocalist, of Hebron, N. S., appeared on Tuesday evening, and greatly delighted those who had gathered in the spacious edifice to enjoy the entertainment offered by these young ladies. Miss Walker rendered her numbers in a characteristically dainty and impressive style. She has a beautiful touch and her tone and technique are well deserving of mention. Miss Crosby has a voice of fine quality and sang very artistically and with sympathetic expression the difficult programme assigned to her. The recital was prettily brought to a close by the eight young lady ushers bearing to the stage floral offerings for each of the graduates.

Wednesday evening's recital was in every respect quite the equal of that given on the previous night. Miss Hughes, soprano, Charlottetown, P.E.I., has always charmed her hearers and her recital on this occasion was fitting close to years of faithful and intelligent study. She appeared at her best in her Thomas, Chaminade and Gounod numbers. Miss Gertrude Borden, pianist, of Wolfville, N.S., deserves very hearty congratulations for the manner in which she interpreted her various selections. Perhaps the number generally conceded to be the best was the Weber Concerto, in which Miss Elsie Tait of St. John's, Newfoundland, took the part at the second piano. The execution of this very exacting composition was wonderful for such young students and Miss Borden certainly showed herself possessed of fine musical feeling. The organization, by Schumann, and "La Filleuse," by Raff, as presented by Miss Borden were also keenly enjoyed.

and she was remanded to jail and examined by a physician. Yesterday a certificate was issued and an officer conveyed her to the Hospital for Nervous Diseases.
