WILL INVESTIGATE
ALL PROPAGANDA
Washington, Feb. 4.—After an ex-
tended and vigorous criticism by sev-
eral senators, of alleged lawless prop-
aganda, the Senate today adopted a
resolution extending the powers of
the Senate Committee investigating
for Glasgow. The Frankfort is lead-
ing general at shed 5 and will take
on grain at the C. G. R. The Mon-
tistat at Pier 16 is loading general
cargo.

Steamer Movements.
The SS Dunbridge finished loading
at berth 14 early yesterday morning,
and sailed in the late forenoon for
4 British port. The Grampian shifted
from berth No. 3 to No. 6, where she
will load general cargo for Liverpool.
The R.M.S.P. Chincote shifted yester-
day from the Sugar Refineries' wharf
to Potters' wharf to load general
cargo for the West Indies. The Pan
and Head was due to sail last night
from berth 5 with grain and lumber
for Belfast. The Ramore Head is at
berth 4 loading lumber and general
for Dublin. The Roseri is at shed 1
loading flour and general for London.
The Titan at No. 7 berth is loading
for Glasgow. The Frankfort is load-
ing general at shed 5 and will take
on grain at the C. G. R. The Mon-
tistat at Pier 16 is loading general
cargo.

Loading for South Africa.

field and the new four-master T. H.
Macdonald are both loading general
cargo for South Africa. The West-
field is at McLeod's wharf and the
Macdonald is at the C.G.R. pier.

To Help Vessels.
Ottawa, Feb. 4.—The department
of the naval service has established
on the east coast of Canada four di-
rection-finding stations, which will, it
is expected, prove of great value to
vessels lost in the fog. These sta-
tions are located at Cape Sable, the
mouth of Halifax harbor, Cape Canso
and Cape Race, Newfoundland. From
any or all of these stations a vessel
equipped with wireless may obtain a
bearing while several hundred miles
from the coast.

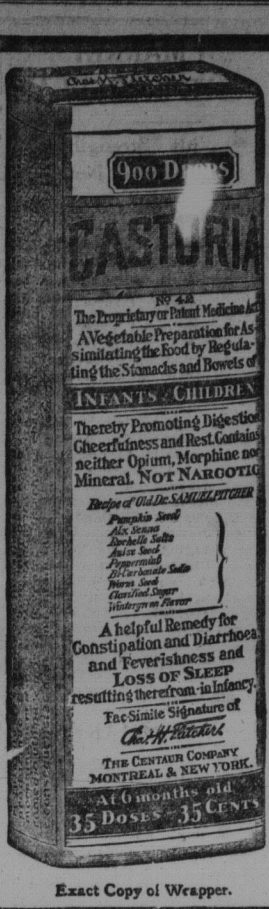

The Eastern Line.
Preparations are being made, says
the Boston Globe, for the resumption
of several of the lines operated by
Nova Scotia and coastwise ports,
which were discontinued because of
the commandeering of boats by the
government. The Calvin Austin and
the North Star are both expected to
resume service, and will be placed on
the route to St. John. The steamer
New York Land, recently in the Boston
New York service, is being prepared
for the Yarmouth run. It is said that
the Prince Arthur and Prince George,
formerly in this service, may be re-
turned by the British government.

A Total Loss.
Rio Janeiro, Feb. 4.—The Brazilian
steamer Theresina, formerly the Ger-
man Steamer, which was ashore
near Santos on Saturday, is a total
loss. She broke in two amidships af-
ter 4,000 sacks of coffee for Havre
had been jettisoned and lost.

Schooner Abandoned.
Lunenburg, N. S., Feb. 4.—The new
tern schooner William Duff, bound
from Lunenburg for Lunenburg with
a cargo of salt, has been abandoned
in the Atlantic. This vessel was re-
ceived by William Duff of Lunenburg,
managing owner, from the steamer
Philadelphia, which has received the
message. The message stated that
the schooner had sprung a leak.

Took Seaman's Body Home.
When the Aquitania sailed from
Halifax on Saturday she carried the
body of one of her crew, Robert Rea,
who died here of pneumonia on Dec.
4th, 1918, and was buried in Mount
Olivet Cemetery. At the request of
his mother the body was exhumed by
Snow and Company, and prepared to
go to England. Rea was only seven
teen years of age at the time of his
death and a favorite on board the
giant Cunardier.

New Freight Rates.
New York, Feb. 4.—A despatch
says the new South Atlantic prices
quoted are:
To Cape Town \$20 per ton for iron,
and steel and \$27 per ton for general
cargo, all rates per ton of 40 cubic
feet or 2,240 pounds, ships option.

freight prepaid. To the following
ports a sixty cent differential is ad-
ded to the rate in which they ap-
pear: Algon Bay, East London, Port
Natal, Delagoa Bay and Beira. Beira
ships are also subject to an ad-
ditional thirty cents per ship on
loading cargo.

To Australian ports the rates
are:
Waddo, \$15 per ton naked freight;
\$18 per ton packed weight; \$25 per
ton rough general cargo and \$30 per
ton fine general cargo, all rates per
ton of 2,240 pounds, ship's option of a
40 cubic foot on the latter two.

In announcing the new prices, R.
H. Goodwin, Treasurer of the com-
pany, states that the reductions are
in no sense being made to create
trifling with the United States
Shipping Board, but in order to re-
store shipping to a business basis.
Shippers in general, he said, know
that prices must come down, and have
been holding up shipments until the
break. These reductions, he stated,
are expected to stimulate commercial
trade between this country and the
British colonies and meet the re-
quirements of the American exporter.
