South Wellington Teachers' Association.—The second regular quarterly meeting of this Association was held at the Centre Inn, Eramosa, on the 19th ult. Owing to the severity of the weather, not many teachers attended. Mr. Downy read his Essay, 'The Trraining of youth,' which he divided into three heads-Moral, Mental, and Physical. After the Essay, Mr. Hart proceeded to the discussion of History. Mr. Hart then illustrated his mode of teaching Long Division and Reduction before a class.-Most of the teachers contessed that it was one of the most difficult of the rules of Arithmetic to teach. Mr. Lowry led the discussion in School Organization, stating that it was as difficult as Long Division, &c. The meeting then appointed Messrs. NOTICE TO METEOROLOGICAL OBSERVERS.

The Grammar School Masters in charge of Meteorological Stations will please take notice that in (1) the column headed "clouds in motion," instead of describing the class of clouds they should enter the point of the compass from which the clouds are moving. If the clouds seem to be stationary, write "calm," if there be no clouds, write "clear." As in the case of the wind the direction will be indicated by the nearest of the eight principal points. (2) Attention is called to the fact that in many instances observers, instead of invariably entering the letters which indicate the winds' direction in the column headed "direction of the wind," have here and there supplied their places by a blank or stroke (——), thus leaving the direction uncertain. This substitution of a stroke for the proper letters should be avoided, and if the observation has been omitted the fact should be notified on the paper.

NOTICE TO CANDIDATES FOR GRAMMAR SCHOOL MASTERSHIPS.

The Committee of Examiners appointed by the Council of Public Instruction for Upper Canada, meets in the Normal School Buildings, Toronto, on the last Monday in June and the first Monday in January of each year. Candidates are required to send in their names to the Chairman of the Committee one week previous to the day of examination.

SCHOOL REGISTERS SUPPLIED THROUGH LOCAL SUPERINTENDENTS.

School Registers are supplied gratuitously, from the Department, to Common and Separate School Trustees in Cities, Towns, Villages and Townships by the County Clerk-through the local Superintendents. Application should therefore be made direct to the local Superintendents for them, and not to the Department. Those for Grammar Schools have also been sent to the County Clerk, and will be supplied direct to the head Masters, upon application to the Clerk.

UNLESS THEY SUBSCRIBE TO THE FUND.

Public notice is hereby given to all Teachers of Common Schools, or Teachers of the English branches in Grammar Schools, who are legally qualified Common School Teachers in Upper Canada, who may wish to avail themselves at any future time of the advantages of the Superannuated Common School Teachers' Fund, that it will be necessary for them to transmit to the Chief Superintendent, if they have not already done so, their subscriptions, at the rate of \$5 per annum for each preceding year, commencing with 1854, and at the rate of \$4 per annum for the current year's subscription. The law authorizing the establishment of this fund provides, "That no teacher shall be entitled to share in the said fund who shall not contribute to such fund at least at the rate of one pound per annum." No pension will be granted to any teacher who has not subscribed to the fund, in accordance to the preceding regulations of the Council of Public Instruction.

POSTAGE REGULATION IN REGARD TO GRAM-MAR AND COMMON SCHOOL RETURNS.

All official returns which are required by law to be for warded to the Chief Superintendent, or a Local Superintendent, and which are made upon the printed blank forms furnished by the Educational Department, must be pre-paid, at the rate of one cent, and be open to inspection, so as to entitle them to pass through the post as printed papers. No letters should be enclosed with such returns. A neglect to observe this regulation has repeatedly subjected this Department to an unnecessary charge of 14 cts. and 21 cts. on each package, including the Post-office fine of nearly fifty per cent. for non-payment.

PRE-PAYMENT OF POSTAGE ON BOOKS.

According to the new Postage Law, the postage on all books, printed circulars, &c., sent through the post, must be pre-paid by the sender, at the rate of one cent per ounce. Local Superintendents and teachers ordering books from the Educational Depository, will therefore please send such an additional sum for the payment of this postage, at the rate specified, and the Customs duty on copyright books, as may be necessary.

INDISTINCT POST MARKS.

We receive, in the course of the year, a number of letters on which the post marks are very indistinct, or altogether omitted. These marks are often so important, that Postmasters would do well to see that the requirements of the Post-office Department, in relation to stamping the post-mark on letters is carefully attended to.
