

# Football Bears may move to Clarke for fans, alcohol

by Jeff Cartwright

The Department of Athletics is negotiating with the city for the use of Clarke Stadium for Golden Bear football games. If successful, the Bears will switch to Friday nights for most of their 1987 home games.

A survey conducted by the U of A Business department found that more of a social atmosphere and night games may improve attendance.

For the fans, the move will mean a better venue and perhaps a liquor license, which seems unlikely here on campus.

Dale Schulha, the Director of Marketing and Public Relations for Athletics says, "We must get a better facility for the fans, a better field for the players, and better accommodations for the media."

Schulha is also working on a marketing proposal with Husky Oil. "We will provide Husky with a number of tickets and they will distribute them through their retail outlets," she said. "It has worked well in Calgary and hopefully we will have the same response. I expect to see 5000 people at the games.

"The game will become more of a social event, with barbecues and

Athletics hopes that Friday night football, a new venue, and suds will bring out the fans for the Golden Bears.

postgame socials," he added.

"I want this program to fly and I think this will certainly help," said head coach Jim Donlevy.

## McMullen cops bronze medal as wrestling Bears counted out

by Carolyn Aney

Experience was what head coach Mike Payette wanted his wrestlers to take home from Montreal. That, they did.

The Wrestling Bears were at Concordia University for C.I.A.U. Championships from February 26-28, the only medal they could muster though, came from John McMullen in the 95kg weight class with a bronze. Fifth placings were turned in by Glen Allen (51kg), Tony Bacon (54kg), Greg Browning (68kg) and Erik Soderstrom (86kg). Brent Murray finished in sixth place in the 61kg event.

Each weight class had six competitors comprised of two representatives from Canada West/-

GPAC, three from Ontario/Quebec, while the Maritimes sent one for each class.

Payette termed the weekend, "Not bad. It's about what I expected." Both Allen and Bacon had poor draws, as Allen was knocked to 3rd in his pool by losing to the eventual 1st and 2nd place finishers in this first two matches. Bacon lost out initially to the 1st and 3rd place finishers.

As far as the team competition went, Payette said, "The other teams were no better as far as technique goes. They just didn't make mistakes. They are very confident in themselves and confident that they are going to beat their opponents."

All of the wrestlers who went to C.I.A.U.'s this year will be back next year. The experience that the wrestlers gained will make for an improved Bears squad in '87-'88.

The whole Canadian wrestling system works through the universities, either teams or clubs, so participation at C.I.A.U.'s is an accomplishment. This weekend Greg Browning wrestled the man currently ranked third in the world. However, the Bears will be facing the graduates as well as the students at the Senior Nationals in Regina March 27-28. Part of the team and club will be competing in the Junior/Espoir Nationals in Vancouver March 13-15.
