

Oz

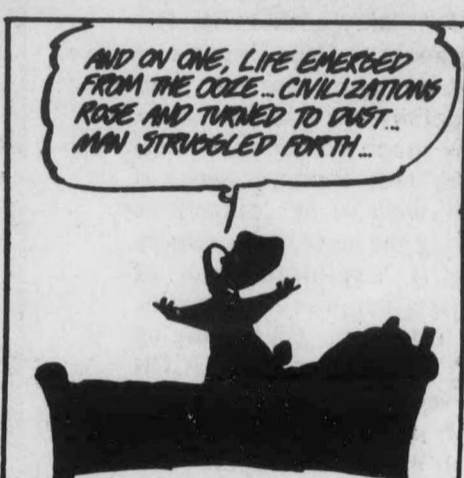

by Berkeley Butcher

ONCE UPON A TIME... ALMOST AN ETERNITY AGO... THE UNIVERSE BEGAN...

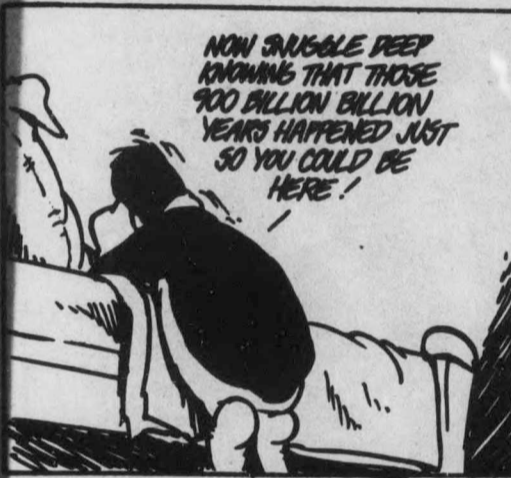

OVER THE MILLENNIA, GALAXIES FORMED... SUNS BURNED AND DIED... PLANETS COOLED...

AND ON ONE, LIFE EMERGED FROM THE OOZE... CIVILIZATIONS ROSE AND TURNED TO DUST... MAN STRUGGLED FORTH...

AND FINALLY, AFTER ALL THAT, SOMEBODY WAS BORN: YOU.

NOW SUGGLE DEEP KNOWING THAT THOSE 900 BILLION BILLION YEARS HAPPENED JUST SO YOU COULD BE HERE!

NITEY-NIGHT!

YOU CAN ALWAYS GIVE THE LITTLE ONES AROUND THE HOUSE A SHOT OF SELF-ESTEEM.

NITEY-NIGHT HORSE FACE!

...OR YOU CAN SQUASH 'EM.

Moncton's Newest Nightspot

Opening Mid-December

the Black Rose

NIGHTCLUB

Experience the Alternative!

599 Main St., Moncton. (across from the Blue Cross)

Just when you're "Academically Zombied Out" and headin' to Moncton to do some serious partying during your holidays, consider the following:

"The Black Rose" is Moncton's newest nightspot, specializing in the pumping out, without a doubt, the coolest tunes around. With special emphasis on a University/Alternative music blend and a theme to match. We know you're going to like it! Don't forget to bring your student card, cause it'll get'cha in FREE!

P.S. - Rip this ad out & present it upon arriving and receive a complementary something or other!
