**CANADA SYSTEMS GROUP  
MARKETING OPPORTUNITIES  
TORONTO**

Nothing succeeds like success! And not only is the computer services industry the fastest growing business sector, but our company is the leader in this dynamic market place.

Contributing to our success is a strategy that has broadened both our service offerings and our geographic horizons, kept us at the forefront of technological advances and acknowledges the importance of people in establishing a reputation for excellence.

We are seeking an individual with a degree in Business or Computer Science and sales experience in the computer industry to sell COM (Computer Output Microfilm) services to data processing customers in the Toronto region.

If you are a highly motivated individual with demonstrated communication and interpersonal skills and a keen desire to sell, please call immediately.

Andrea Stewart, Supervisor, Staffing Services

**CANADA SYSTEMS GROUP**

**BONAR & BEMIS LTD.**

**Programmer**

Reporting to the Programming Supervisor in a small Development group, this position will progress rapidly in project responsibility, programming and implementing a wide range of systems in a modern manufacturing environment using our Hewlett Packard 3000's. Applicants should be proficient Cobol programmers, with a degree in programming or computer science from a college or university. Those with some basic work experience will be preferred.

Bonar & Bemis, the largest independent producer of flexible packaging in Canada with its head office in Burlington, Ontario has offices and manufacturing facilities from coast to coast. This is the opportunity to assume responsibility and grow in an expanding company.

A salary based on experience and comprehensive benefits are offered to the successful applicant. Interested persons should reply by resume or phone.

**PROFITABLE CAREER**

Our company's greatest resource is human resource. Since 1932, we have trained some of the best sales representatives across Canada with yearly commissioned earnings of \$50,000 and more. Prior to joining our company, most of these representatives were employed as factory or office workers, plumbers, carpenters, general laborers or not employed at all because of lack of experience or education. If you are such a person and would like to have a steady, challenging position, in direct sales, with the opportunity to earn as much, we would like to meet and discuss this position with you. For appointment only, please phone:

**tran communications ltd.**

No simplistic solutions. Only productive decisions.

The level of career opportunities at Tran has increased dramatically in the last year. Due to internal promotions we are again seeking qualified candidates in the positions listed below. Our aggressively expanding company offers you the opportunity for growth, challenge and scope as:

**Shipping/Receiving Attendants**

Your previous shipping and stockroom experience will qualify you for these positions. Candidates must have an excellent command of the English language both written and verbal. Preference will be given to individuals with a knowledge of Electronic Components.

**Production Line Assemblers**

Your previous experience in hand soldering and wiring of Electronic Components is your only requirement for these positions.

**COME GROW WITH US . . .**

We offer a competitive salary program, comprehensive benefit package 100% paid by Tran at our air-conditioned facilities, conveniently located one-half mile from Highway 401 and Dixie Road.

Qualified applicants are asked to phone:
