Sir

you will please find enclosed agreement  
between Paul Elm of the Rice Lake  
Indian Reserve and Robert Adamson  
the former Leaser of said lot  
The rent offered is the highest that  
can be got and I consider it a good rent  
and would recommend the same for  
your approval both of his terms I believe  
to be good men this is a renewal of the old  
lease that expired on January last
