In connection with the copy of your letter addressed to Mr. Hansard on the 3rd of November last, stating that you have no record of receiving grant from this Department, of the patent in question, I have to call your attention to the fact that this patent was mailed you under cover of registered letter on the 25th of January, 1912, and as the letter has not been returned to the Department, it is presumed that it was received in your office.
